Call for FVR BOD Nominations

Nominations for 2019 Board of Directors

It's that time of year again when we ask for any interested members to step out of the shadows and throw their hat in the ring for next year's Board of Directors.

Are you tired of hearing from the same secretary for the past 20 years? Would you like to hone your skills in leading a club? (It looks good on your resume.) Do you have ideas of how we can improve as a club? Would you be interested in adding some new blood to the club? We'd love to have you on the board. All current board members are willing to help with the transition.

You've heard the saying that it takes a village to raise a child. The same applies to the club. New and fresh ideas make us the great group we are. Please let any board member know of your interest by the end of October so ballots can go out in early November.

Mary Haen
Secretary

August Cars & Coffee at Porsche of the Fox Valley

By Todd Benz

Our third Cars and Coffee event of the year in mid-August was once again well attended with 23 members participating.

We had another great assortment of tasty treats and great coffee. I was able to meet some members I had never met, saw some members from the past and had some of the usual faithfuls, like Tractor Bob, show up as well.

My hat goes off to Dennis, James and Nick for once again doing a fantastic job on welcoming our members into their place of business.

It gives us all such a great opportunity to share our cars and experiences with them. In addition, Bergstrom gave out Porsche hats to those in attendance

which was much appreciated by our members.

To continue the success of these Saturday morning get-togethers, Bergstrom has graciously offered to host another Cars and Coffee on Saturday, Sept. 15 from 8 to 10 a.m. Please come out and join us for one last summer event at Bergstrom.

From the President.....

With the last big long summer weekend just days away, I hope everyone has enjoyed a great summer filled with many miles driven on your Porsches. There will still be many great days ahead especially with the colorful changes of the leaves as autumn approaches. As we approach this Labor Day, let us reflect on the hard work we all have done to enjoy those fruits of our labor. We should also take some time from our work and our busy daily activities to spend it with our families, friends and loved ones.

With that said, I want to personally invite everyone of our members to join us this Labor Day weekend on Saturday, Sept. 1, for our Fox Valley Region Labor Day Picnic at Road America. Thank you to the Chicago Region for inviting us to share their weekend. Thank you also to Tom and Kathy Robl for once again hosting this year's picnic. Please look in this month's newsletter for more details.

At the end of July, we once again enjoyed our annual Trout Springs Winery event hosted by Steve and Andrea DeBaker. This year Steve and Andrea put a new twist on things by including a Knocker-Ball tournament where we could knock each other around, including our spouses if you dare. More on the actual event in the newsletter.

On Aug. 11, we experienced another great Cars and Coffee event at Bergstrom where once again we had an excellent selection of pastries and great coffee provided by Bergstrom Porsche of the Fox Valley. We had approximately 23 members and their cars. Thank you to Dennis and Nick from Bergstrom for hosting another fun day. Due to the wonderful turnouts for this summer's events, Berg-

strom will be hosting one more Cars and Coffee this year on Sept. 15. Please come out and socialize with fellow club members.

Aug. 17-19, we had 6 cars and 11 members caravan over to St. Ignace for the first ever, and hopefully an annual, event--Porsche on the Mac--hosted by the Motor-Stadt Region. There were 105 car entrants and I would guess 150+ people who attended this inaugural event with PCA members from 6 regions and 2 zones in attendance. What a great time we had! Please enjoy the write-up in this month's newsletter.

As a reminder, the next board meeting will be held on Oct. 20 at 2 p.m. at our home, prior to the chili and bonfire social. We encourage all Fox Valley Region members to attend. Please see the details in this month's Whaletales.

I would like to ask all our members that if you have an interesting story, event or experience that you would like to share, please send it to beverly.jurkowski@sbcglobal.net by the 20th of each month and we will try to include it in the next edition of the newsletter for all to enjoy.

In closing, I just want to say thanks to everyone who has hosted an event or who has participated in one of our events that make it so much fun. As we always say in our club, "It's not just the cars, it's the people that make this club so great!"

The editor says.....

This issue recaps some of the fun region members have had in recent weeks and also promotes some upcoming events, indicating that the driving season still holds a few more months for those of you who hibernate your Porsches for the winter.

Be sure to check out the one-day drive to Door County which has just been scheduled. Also, for my friends in the northern part of the state and in the U.P., please join us at Justin Engineering on Sept 15 in Arbor Vitae (just north of Minocqua) for

an informative tech session. We'll adjourn to lunch in Boulder Junction after the session. If you haven't RSVP'd to me yet, please do so soon so we know quantities for coffee/donuts as well as a head count for lunch.

Thanks to all who have contributed photos, articles, etc. for this issue. Great teamwork.

"I am a longtime Audi Fan. My wife owns a Q7. I had two A4s, a sedan and an Avant. I wanted an SUV and saw this at Meister Imports so I decided to trade in my A4 Avant for this. I have not had a single regret," he said.

Rick previously owned a 1977 924 that he "brought back from the dead in the mid 90s."

He said he was attracted to owning a Porsche because of the "style and performance. Even though I haven't owned many Porsches I have collected Porsche memorabilia since I was a kid and have a collection of about 400+ Hot wheels, Matchbox and other toy cars to go along with my 600+ VW, BMW, Jaguar toy car collection."

Porsche on the Mac: A weekend with 100+ Porsches

By Sheila and Todd Benz

Porsche on the Mac, a multi-region event that was organized and promoted by the Motor-Stadt region, included several members of the Fox Valley region.

Our journey to Mackinaw Island began in the Meijer parking lot in Green Bay. There were six cars total in our caravan. Todd and Sheila Benz drove their 2016 Porsche Cayman GT4 in the lead followed by Bob Hawley in his 1968 Porsche 912 and Dan and Barb Pankratz in their 1965 Porsche 912. Next in line was Jim and Cindy Janes

in their 996/911, closely followed by Jim and Mary Niemiec in their 996/911. The sweep car was Shaun and Dee Stamnes in their Boxster. It was quite a sight to see so many awesome cars as they made their way to Hwy 41.

We made our way northward going through Menominee and Marinette with a quick stop at Hereford and Hops for a well-deserved lunch break. We continued up the shoreline of Lake Michigan taking in the beautiful lake views and endless rows of tall pines.

We made a quick stop for gas at the BP in Manistique, MI, where we entertained many questions from the locals. Porsche sightings are rare in that area, so we began to feel a little like celebrities. After a

few mis-turns (thank you GPS), we arrived at the Best Western in St. Ignace where we were greeted by great lake frontage and a sweet bonfire pit. After taking a bit to freshen up, we found the Little Bear Arena where we got all our information regarding the Porsche on the Mac events.

Later we found BC Pizza where we all enjoyed

great pizza and great music by Will Springsteen who played the guitar and sang some tunes by epic artists like Bob Seger, Bon Jovi and Darius Rucker. We later finished the evening sharing some stories by the fire pit at the hotel.

Saturday morning started bright and early with lining up the cars in preparation to cross the Mackinac Bridge. There were more than 100+ cars registered to make the crossing which started at 10 a.m. The cars were escorted by the St. Ignace Police through their streets and onto I

-75. We were all able to make our way through the toll-gates without stopping by using the pre-determined emergency lanes. Once on the bridge, we made the 4+ mile trip together, save a few interruptions by some unknowing cars and RVs.

The crossing ended once we were in Mackinaw City and we all parked at the shopping area closest to the Mackinaw Island Ferries. Our group went our separate ways with some opting to visit the coffee and fudge shops while others took the opportunity to do a little shopping.

Later we all met up at the Little Bear Arena again where Todd, Dan and Bob set up their cars for the Concours and the People's Choice voting. Several

Porsche on the Mac continued...

of us decided to try our luck over at Mackinac and took the Ferry over from St. Ignace. Upon arriving at the island, we were greeted by the sights and sounds of non-motorized life.

There was a steady stream of people, bicycles and horses everywhere we looked. The beautiful sunny day was perfect for walking around on the island. We grabbed lunch at an outdoor café and took in all the visuals that the island had to offer. We even saw a few brides and grooms celebrating their big days.

Saturday night's activities included a gathering at the St. Ignace Marina complete with appetizers and music. Someone, whose last name might or might not have been Benz, thought it could be a good idea to take the St. Ignace Trolley to the marina. What started out as a simple idea turned out to be quite the adventure when we took the trolley north to go to the marina that was south of the hotel.

Let's just say that we got a grand tour for our wooden nickel. The trip was worth it when our very own Bob Hawley and Dan Pankratz took home 3rd and 1st place People's Choice awards, respectively, for their cars. We finished out the night with another scenic tour of St. Ignace with Barb counting the days until she can ride the trolley at the 2nd Annual Porsche on the Mac next year! Photos by Todd Benz.

Region members waited for the drive across the bridge to start.

Porsches lined up before crossing the Mackinac Bridge (552-feet-in height) which spans the Straits of Mackinac to connect the upper and lower Peninsulas of Michigan.

Tire rotation — follow the arrows

Rotating tires on your Porsche and other cars can double the life of your tires. Rotate your tires every eight thousand miles.

Be sure to check your owner's manual for proper jack points. Always use jack stands. Mark your tires on the inside with a tire pencil before you remove them so they don't get mixed up.

Summer fun at Trout Springs Winery

By Dan and Barb Pankratz and Dee Stamnes

An abundance of sunshine, food, friends and fun described the annual potluck at Trout Springs Winery in late July. Hosted by Steve and Angela DeBaker, the event attracted approximately 30 members and guests. Steve and Andrea had the crew from Fox Cities KnockerBall come in and get the group involved in some friendly competition playing KnockerBall.

There were several rounds of last person standing (leaving everyone else laying on the ground like a June bug), as well as a team game of KnockerBall soccer. Thank you Steve and Andrea for the new experience – it was a blast and everyone had a great time playing.

After enjoying our lunch in their new event room, followed by some social time, we also held our annual Skittles tournament. Six teams played Skittles with Dennis and Madelyn being the 2018 Skittles Champions – receiving a free bottle of wine from the winery. The second place team was Gordon and Deb, and they received a free glass of wine. Fun was had by all and we look forward to doing it again next summer.

Everyone had a great time enjoying the beautiful grounds and winery. Many people enjoyed the wine and beer as well.

Some of us chose not to participate but thoroughly enjoyed seeing our fellow car enthusiasts bump around and into each other during the session. We found out that Gordon Skog might be light but he is very wiry.

We are sure that there were many aching muscles the next day. It really was hilarious to watch and a good time was had by all who attended. We were all winners.

Our thanks to Steve and Andrea for their great hospitality and a fun day.

Editorial Policy

Whaletales is your official source for news of FVR events (past, present, and future) and is proudly distributed monthly by the Fox Valley Region of the Porsche Club of America. Statements and opinions appearing in Whaletales are those of the authors, and not necessarily those of PCA, FVR, the Board, or the Editor. The Editor reserves the right to edit all material and to publish only material that is felt to be in the best interest of FVR-PCA. Other regions are welcome to reprint Whaletales articles, provided that the source and author are credited.

Email addresses are maintained by PCA at <http://www.pca.org> (login and select "Membership" – "Member Service" – Member Record" from the menu) and member email address changes must be made through PCA national. To have your questions, comments, articles or pictures published in Whaletales, email the Newsletter Editor – Beverly.jurkowski@sbcglobal.net – no later than the 20th of the month.

Please send all information (text and pictures) as an attachment in your email, do not let concerns about spelling, grammar or the like prevent you from sharing your story about your favorite Porsche or your extended family of Porsche friends – but please do include the name of event, captions for photos, and the names of people in photos. And don't forget to include the name of who took the picture. We appreciate member submissions and want to give credit.
