Call for FVR BOD Nominations —Nominations for 2020 Board of Directors

It's that magical time of year again when we ask for any interested members to step out of the shadows and throw their hat in the ring for next year's Board of Directors.

Are you tired of hearing from the same secretary for the past 21 years? Would you like to hone your people skills in leading our club? (It looks really good on your resume.) Do you have ideas of how we can improve as a club? Do you wish we did something different as a club? We'd love to have you on the board. All current board members are ready and willing to help with the transition. No experience necessary.

You've heard the saying that it takes a village to raise a child. The same applies to our club. New and fresh ideas make us the great group that we are. Please let any board member know of your interest by the end of October so ballots can go out in early November. And remember, "It's not just the cars,... It's the people!"

President's message

By Todd Benz

Greetings members of the Fox Valley Region. I hope your summer has been filled with memories of family vacations, relaxation and anything Porsche – mine sure has. Sheila, Justin and I just got back July 29 from the 2019 Porsche Parade at the Waldorf Astoria in Boca Raton, Fla. I will provide more details with a write up in the September issue of the newsletter, but in the meantime, I have provided a link to Justin's YouTube Channel which highlights our adventure, (mostly his). You can also find his videos by just entering "Justin Benz" on the search portion of the YouTube main page. <https://www.youtube.com/channel/UC5go8iRdOcP3NjmQj-e1VBA>

I am sorry I missed July's Cars and Coffee on July 13 but I heard it was another well-attended event. Bergstrom was kind enough to provide 2019 Porsche calendars which are always awesome. Our family also missed the wonderful Trout Springs Winery summer social due to the Porsche Parade. Shaun Stamnes wrote an article and took photos that you can see in this issue.

August is a busy month with a variety of things to do. Hopefully you can attend some of the events.

I encourage all members to come out to Road America this weekend for the IMSA WeatherTech SportsCar Championship and stop by the PCA Porscheplatz in the Turn 5 area. They do an awesome job for our members and other Porsche enthusiasts.

Our next Cars and Coffee will be on Aug. 10 at Bergstrom Porsche of the Fox Valley. Please come out and visit with our members and fellow Porsche owners that may be there as well. This event is always well attended with coffee and other sweets to enjoy.

We have Porsches and Pasta dinner on Aug. 13 at Luigi's Pizza Palace II hosted by Shawn and Dee Stamnes. Please RSVP by Aug. 11. More details in the newsletter.

There will be a Tech Session at Auto Trim Design in Neenah on Aug. 17 from 9-11 a.m.

In closing, I just want to say thanks to everyone who has hosted and/or planned an event or who has participated in one of our events that make it so much fun. As we always say in our club, "It's not just the cars, it's the people that make this club so great."

Happy and safe motoring,
Todd Benz, President

Cars and Guitars report

By Erik Scharinger

The June day started out a bit damp with a slight drizzle. The sky quickly opened up to a beautiful Saturday in downtown Green Bay, Wis.

Another successful Cars & Guitars show, this year with local band Big Mouth & The Power Horns entertaining the crowd.

Red Lewis and his team put on another great event. This is a no judging, open to all makes, models, and vintage car show. All are welcome.

Keep an eye out in future Whaletales for the 2020 date and join in on the fun.

In the meantime, when you find yourself in downtown Green Bay, stop into the Automobile Gallery and check out the cars on display. It's constantly changing.

Trout Springs Potluck Social report

By Shaun Stamnes

Thirty-six FVR members, 16 Porsches and one rogue Austin Healey descended upon Trout Springs Winery for the 15th annual Potluck Social and Skittles Championship in late July. Steve and Andrea DeBaker once again opened up their beautiful winery and event room for the members to enjoy good food and good fellowship while taking in views of Steve and Andrea's swans. An enjoyable variety of foods was brought by the members to compliment the delicious grilled hamburgers provided by Steve and Andrea. Thank you all.

Following lunch the member's choice voting began for their favorite Porsche that was in attendance. And the winner was.....Gordon Skog's beautifully restored 1963 356 Coupe in Oslo blue with red interior. Several members also enjoyed looking over the Austin Healey that was in attendance. Although not a Porsche, it was a beautiful example of a classic British automobile. Thanks to Todd and Sandy Whitenack for sharing it with us.

Once the lucky winner of the member's choice was announced, things became serious. The annual Skittles championship was upon us. Last year's winners Gordon Skog and Debbie Houle faced off against three other teams, eager for the chance to unseat last year's champs. Debbie came out swinging with the first strike we've seen in the past couple of years. The first round winning teams were Gordon and Debbie, Erik and Lorelei Sharinger and Shaun and Dee Stamnes. The elimination round went to Shaun and Dee Stamnes who now had to go up against Gordon and Debbie. Although the competition was fierce and the pins were flying, in the end Shaun and Dee prevailed. Unfortunately the traveling trophy has been lost to time so a

new trophy will be fashioned for next year's competition. Thanks to all the teams for a fun afternoon and all the laughs and sideline commentary.

Thanks again to Steve and Andrea for an absolutely memorable afternoon and to all the members who attended this year's event.

Gordon and Debbie with their trophy.

Zero to 60 garage visit

By Erik Scharinger
Beautiful weather greeted PCA members and car enthusiasts from all over to the annual Zero to 60 car show hosted by PCA members David and Sandy Treichel in Sherwood, Wisconsin.

If you've never visited Zero to 60 Garage, it's worth a short drive from the valley or Green Bay. You never know what kind of awesome cars will be on display or being serviced in the shop.

An uplifting experience

By Erik Scharinger

If you've ever pondering adding a lift to your garage for storage or maintenance work, hopefully this helps with some questions.

After a lot of research I purchased a Titan SDPL-8000XLT lift from Brians Repairables in Abrams, Wis. Specifications can be found here: <http://www.briansrepairables.com/#!/listing/Titan/53a85ade179e28d65a154d6c>

This is a 120V hydraulic lift, plugs into a standard household power outlet. My garage ceiling is 125" tall; plenty of room to stack two 928s, or a 928 above my wife's Beetle.

With the help of fellow FV-PCA members Alan Cayer and Jim Haen, installation was very straight forward. Unpacking and installation is a one day project. Hindsight I would recommend having four people minimum to help lift the runways into position. Using an engine cherry picker and a couple furniture dollies, we got creative and accomplished the job with just three of us.

If you have any questions about purchasing your own lift, please feel free to contact me: erik27@gmail.com. I am not affiliated with Brians Repairables. I was introduced to his operation from another local car club whose members have purchased a number of lifts from him.

To gain more ceiling clearance, I modified my garage door rails to raise the door higher, closer to the ceiling and installed a Liftmaster Jackshaft garage door opener which eliminates the overhead opener. Any overhead door company can assist with a high lift kit and the opener.

Please send all information (text and pictures) as an attachment in your email, do not let concerns about spelling, grammar or the like prevent you from sharing your story about your favorite Porsche or your extended family of Porsche friends - but please do include the name of event, captions for photos, and the names of people in photos. And don't forget to include the name of who took the picture. We appreciate member submissions and want to give credit.
