President's message: Region adopts electronic RSVP system

Well it appears that spring is finally upon us. How many of you took your Porsches out a little earlier this year?

As you may have seen, we have many events coming up as we hopefully begin to come out from under the COVID restrictions. It is important to remember to still take precautions to protect yourself. PCA events will still follow the major COVID guidelines of masking and social distancing according to the CDC and any local restrictions. Along with that will be signing the Communicable Disease Waiver again this year which will cover all Fox Valley Region Events for 2021.

The region also has moved into the 21st century and is now set up with Motorsports Registration to do electronic event registration, electronic waiver signatures and electronic payments if an event has an associated charge. To take advantage of this, you will need to sign up for a free account at MotorsportReg.com. This edition of Whaletales has a short tutorial on how to get your free account online. There is also a step-by-step guide on the website. Just go to the home page at fv.pca.org and look at the 04-20-21 Update. There is a link that will take you directly to the tutorial.

From now on, when there is an event on the region calendar that will have electronic registration, you need to click on the event which will open the full event description. To the right side of the event there will be a green box that says "Register." Clicking that box will bring you directly to the registration page on Motorsportreg.com. Then you register for an event, even a free one, it will bring you to a Check Out page that will show any charges for the event and you can then pay via Credit card or Debit card. Once you check out you will get a text message on your smart phone to complete the waiver process. You will need to take a picture of yourself and then it will allow you to sign the Event Waiver and Communicable Disease Waiver.

The process will take a little time for everyone to get used to but after 1 or 2 it becomes very easy to follow.

At this point, the first event with electronic registration will be the Door County Tour on June 12. After you register for this event, you will need to email Bob Hawley with the number of people in your car and your cell phone number.

Other upcoming events include:

May 1 "Follow the Flower" drive to the Freedom High School Car show
May 2 Autocross at Road America
May 15 Porsches and Picnics Event
May 18 Annual Spring Opener at Jim and Linda's Supper Club
May 22 Multi-Region BBQ in Elkhorn – SOLD OUT

Dee and I hope to be able to see a lot of you at one or more of the upcoming events!

Photos appreciated

Thanks to Dennis Garrity and Steve Groddy for the photos you see on the front and back cover of this issue.

Also thanks to the Clarks and the Pankratzs for their images.

I would like to use your Porsche pictures. For a cover or back page placement, turn the camera to take a vertically oriented photo, also known as portrait.

The photo needs to fit a vertical, rectangular space.

Follow the Flower drive and car show

Looking for a drive challenge for you and your Porsche and support a good cause at the same time? Then you will want to join us on this rather short drive; about a half hour/22 miles.

Follow the leader's 1989 Lotus Esprit Turbo SE, (get it? Lotus…..Flower?), to the Freedom High School Auto Club's car show. The drive starts at the Kwik Trip on Lawrence Dr. in DePere and ends at the Freedom High School at their 13th annual Car Show.

Google Map: https://goo.gl/maps/HexJPrVKhtTCTqGR9

This short drive will kick off our Summer driving season. Come along and join the fun.

RSVP to Todd Whitenack so we have an idea of how many are joining us on the drive.

RSVP: Todd_whitenack@yahoo.com

Time: 9 a.m. to 2 p.m.

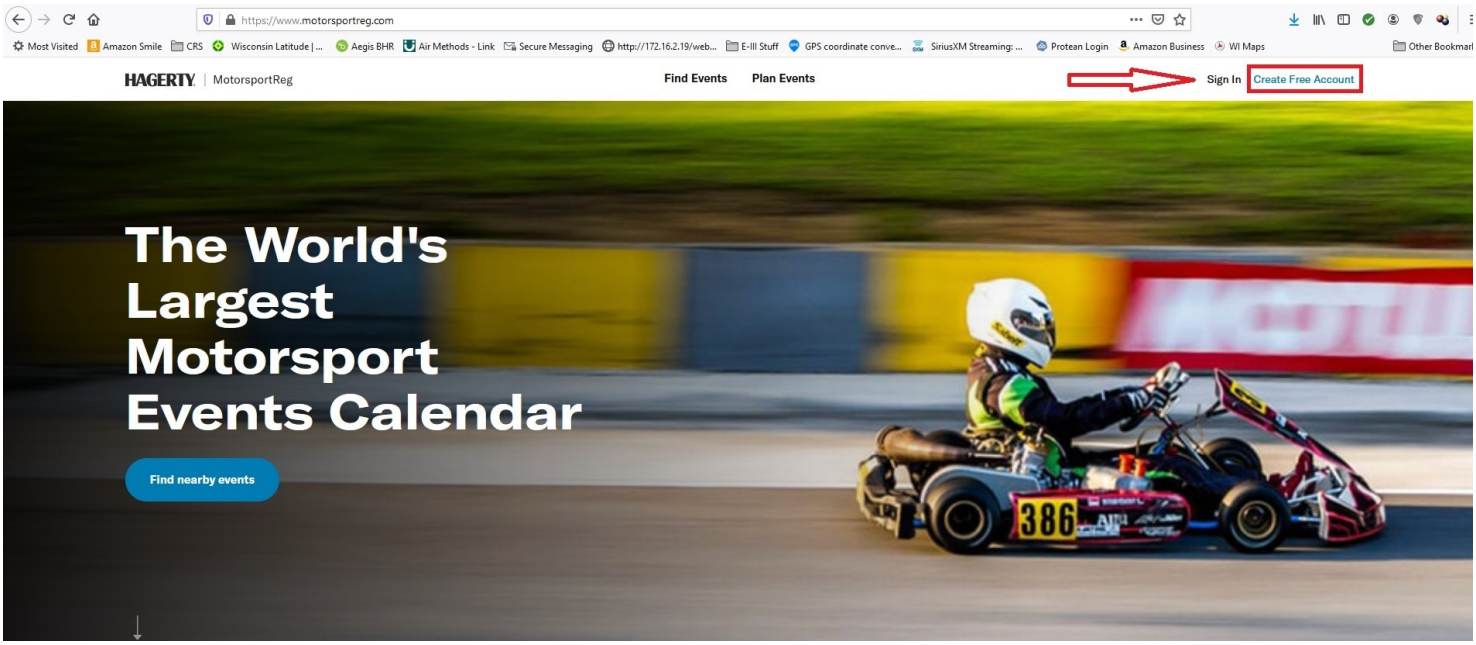
Region adopting online registration system

The Fox Valley Region is beginning to accept event registrations through MotorsportReg.com. A couple of really big advantages to this is that you can sign the waivers on your smart device and pay for any registration fees directly with your credit or debit card.

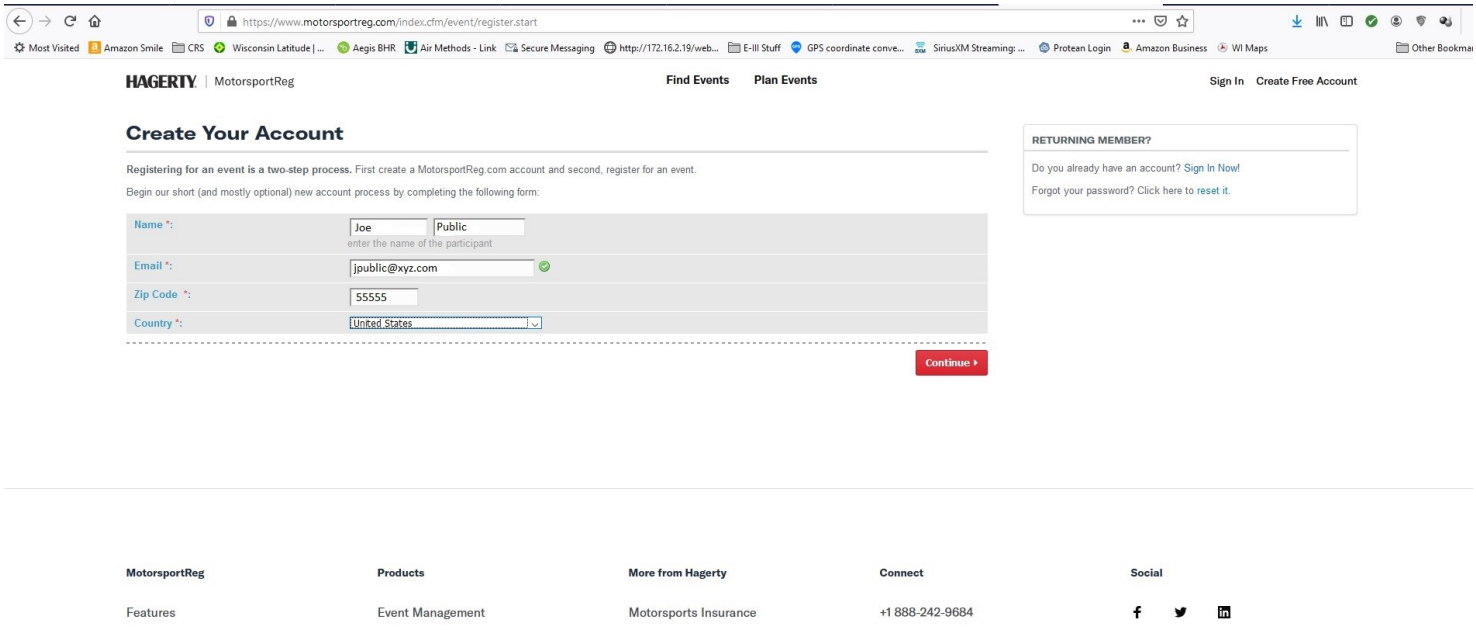
Also, MSR will keep the waivers on file for the required amount of time outlined by PCA National.

Follow these step-by-step directions to set up your free MotorsportReg account:

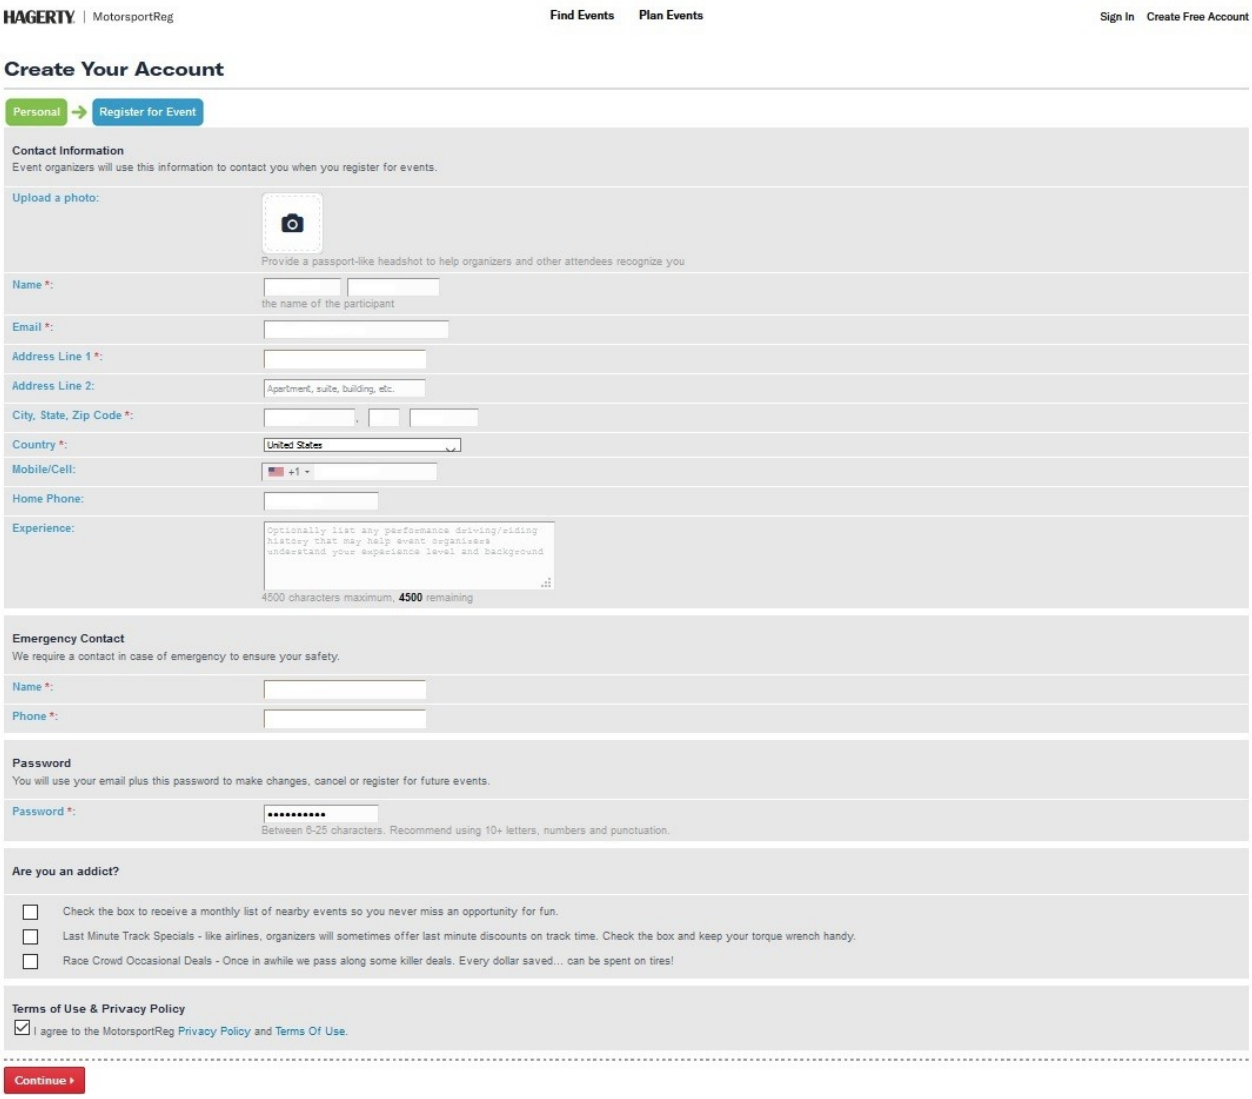
Log in to MotorsportReg.com and look for the "Create Free Account" link in the upper right of the page.



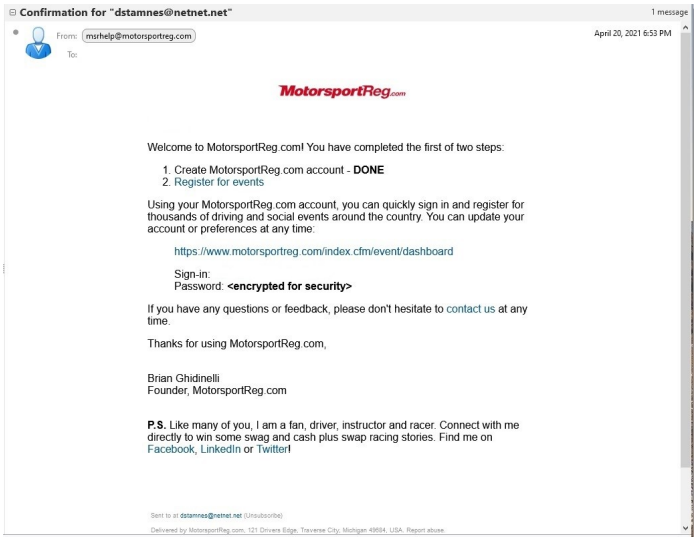
Fill out the brief form with your first and last name, email, Zip Code and country. Then click the RED Continue button.....



Next, fill in the next form and choose if you want to receive emails and updates from MotorsportReg.com and click the Terms and conditions box, then click "Continue."



Look in your email and you should have a Welcome to MotorsportReg email. Click on the link to register for an event and that will complete your account sign-up. When you register for an event, you will get a confirmation email. That email will include a link (far ride side of message) to cancel or change your registration,



Welcome to our new members

Fred Schreiner drives a 2012 Boxster. "My first open car. I wanted to try it," he said.

It is Aqua blue metallic over black. He has owned it since early April.

"I was in the market for a Boxster or Cayman in the 2009 – 2012 era. I like the subtle exterior and interior updates the 987.2 generation had in addition to the 9A1 non-IMS engines these cars were equipped with (this addresses my admittedly irrational concern for a very unlikely engine catastrophe). The color had to be something other than black, silver or grey. It did not need to be an S model, but it did need to be a manual.

"Like most of the cars I've purchased, I did a nationwide search. In my years, I have found it difficult to find Porsches in Wisconsin - especially when you start to narrow down what you want in the car. Starting in late February I combed every online car search site. I initially found the car on Rennlist – and then later saw it advertised on CarGurus. The seller was from Seattle and was the second owner. The car had a full-service history and ticked all the boxes. I had the car shipped to my door.

"This is a basic spec, 'simple' car that delivers tons of pure sportscar engagement. Looking forward to when I can try it out with the top open.

"Ever since I can remember I have had a fascination with all cars European. My dad certainly influenced me as he nearly always had a sports car or some other interesting car. As a kid I grew up around an MGA, MGB, Austin Healy 3000, Saabs, VWs, three different 911s, and two 914s. I remember helping my dad work on his cars from a very early age. When I got older, I read everything I could about Porsches: books my dad had and old Road and Track reviews. I was just totally engrossed by Porsche. I remember when my sister and I were very young, we could sit quite comfortably in the back of my dad's '67 911 for trips to Door County.

"After I graduated college and worked a few years, in 2002 I finally bought my first Porsche -a midnight blue 1993 911 Carrera 2. A very cool experience 28 years in the in making. I kept that first car for nine years and since then have had a speed yellow 2007 Cayman, a silver 2009 911 C4 that I used year-round for 4 years, and now my 2012 Boxster.

"Part of the reason I bought this car now is that my two sons are getting older – one is 16 and can drive now. When I was his age, my dad let me take his 911 SC on those milestone high school dates - prom/homecoming. That was a very special thing for me, and I wanted to be able to do the same for my kids when that time came.

"Porsche makes something of quality – something that is lasting and not disposable. Yes Porsches cost a lot, but most things of quality do. I find it satisfying to own something that is well designed and made."

June 5 tech session: Detailing and more

Join region members for a tech session and more.

Date: June 5

Start time: 12:30 p.m.

Location: W6916 Cleary Court Greenville WI 54952 (Cleary court in Greenville just behind Meister Imports)
Google map:
https://goo.gl/maps/XUCoXsdCgRpviAFu8

Many of us wash, wax, and detail our own cars and many of us get caught up in the way we do these processes. Chris Eick has offered to go through all the basics of detailing. Many products have changed over the years and Chris would like to explain the process and products so our club members can learn how to properly care for their Porsches themselves DIY.

Chris Eick had done detailing for years and the cars he has detailed has won numerous awards, so Chris is well versed in detailing.

In 2020 Chris started his business as Eick's Auto Spa. Chris' business happens to be located within a world-class collection of vintage motorcycles and '60s and '70s muscle cars. The owner of the private collection has been kind enough to allow our club to not only have the seminar on detailing at his facility, but has allowed us to view his collection.

No RSVP needed.

Sunshine program revived

The region would like to acknowledge life events of its members — from the happiest moments to the saddest. From weddings and births (children and grandchildren) to deaths. When you become aware of a major event in a member's life, please submit the information to membership chair Dee Stamnes. Dee will send an appropriate message and the event will be noted in Whaletales. Please provide as much detail as you can. Dee's email is dstamnes@netnet.net

Our Sympathy

The region extends its sympathy to **Sheila Benz,** co-member of Todd Benz, on the loss of her father AJ (Arthur James) Shuping. Jr., 90 ears young, of Columbia, SC

"He was a big NASCAR fan, started attending races at Charlotte Motor Speedway when it was a dirt track. Story Teller Extraordinaire, too," Sheila Said.

June 12 driving tour in Door County

Join region members and friends for a follow-the-leader driving tour in Door County.

Date: Saturday, June 12.

We will meet at 8:45 a.m. in Dykesville at the park and ride corner or highway 42/57 and County P. After signing waivers we will depart at 9 a.m. in a follow-the-leader style. Arrive on time with a full or nearly full tank of fuel. Please RSVP for this event. Dykesville Google map: https://goo.gl/maps/nB7NfjyPh3KUFPp5A

For those coming from Manitowoc/Kewaunee/Lakeshore area, there will be an alternate starting point in Algoma at approximately 9:30 a.m. at the Algoma City Park across the street from the Mobile gas station 1025 Lake St. Google maps: https://goo.gl/maps/rk7jie9otaNXsbfm6

Limit: 25 cars

RSVP deadline: June 1. You can use our new online registration process. See link below. Or **RSVP to Robert Hawley,** 920-252-2544 or robert.hawley@yahoo.com. The RSVP should include name and cell of driver and how many people in the car.

Craig Harvey has graciously offered his man- and she-cave as a stopping point in Egg Harbor for coffee and donuts, coupled with a tour. Robert Hawley will have his three 912s there as window dressing.

Lunch is on your own. Robert Hawley will arrange to have parking at Stones Throw Winery in Bailey's Harbor for outside small plate dinning as an option.

The driving tour would finish by 4 p.m. at the latest. It's lunch on your own but we will have farewell wine meet up at Stones Throw from 2 p.m. to 4 p.m. Return to home on your own.

Date: May 2, hosted by Milwaukee region
Location: Road America Motorplex. Enter at Gate 4

Cost: All current PCA members and PCA family members: $50 per driver. All non-members: $60 per driver

We will follow the Covid guidelines to ensure everyone's safety. See below.

Requirements:

Helmets - All drivers at Porsche Events must wear a helmet. A Snell SA 2010 or later rating is required. As part of the Tech Inspection, your helmet will be examined for compliance.

Wear clothing appropriate to the weather. When you aren't driving you will be a course worker. Take sun, wind, (light) rain and air temp into consideration when planning what to wear.

All drivers must have a valid driver's license.

All minor drivers (less than 18 yrs old) must have a drivers license and have a Minors Waiver form signed by a parent or guardian for the particular event. Minors that are not driving, but present at the event and in the paddock area, must also be covered by a Minors Waiver Form. See forms below for links.

All vehicles driven must pass a technical inspection at the event. See forms below.

Tentative schedule
8 - 9 a.m. Check-in and Car Tech Inspection
9- 9:30 a.m. Walk the Course ;
9:30 - 10 a.m. Drivers' Meeting. (At this meeting we will break up into groups, with the intent that when one group drives, the other works the course and vice versa.)
10 a.m.. - first cars out. (All run groups and finish times approximate and subject to change due to event day conditions.)

May 15 Porsches and Picnics

May 15, 10 a.m. to 12:30 p.m.

We're going to start the 2021 driving season with a short drive around the area — about 2 hours.

We'll begin the drive in De Pere just off 41, and end just a bit north of 41 in Appleton. Generally, we'll be heading up toward Shawano, passing by Seymour and back down through Shiocton, before ending in Appleton.

No doubt most of us are hopeful that the COVID-related precautions are able to unwind as the year unfolds, however since we can't predict the future, we will remain cautious. For that reason we are keeping the drive short and have not planned any stops along the way, unless of course we need to.

We'll end the drive at my home. However, you and your guest are welcome to park and setup some chairs in our yard and have a picnic with whatever you wish to bring with you. We have plenty of yard space for a fair number of cars to spread out. We will provide bottled water.

I will open up my garage in case anyone is interested in seeing what project cars I have in the works, as well as see those that are road worthy at the time of this drive.

That being said, to make this all work and keep safe, we are going to have to limit the total number of people/cars.

Note, a Porsche is not required nor is PCA membership, however this is a Fox Valley Region Porsche Club of America event and will follow PCA guidelines.

So please, RSVP me if you plan to join us on the drive, and/or plan to picnic on our yard, or just want to see my current two money pits. Also let me know how many people. I will provide more details to those interested.

RSVP: Todd Whitenack at Todd.Whitenack@yahoo.com by May 12 please.

July 25 Potluck picnic at Trout Springs winery

Our annual summer get together is happening Sunday, July 25, at Trout Springs Winery in Greenleaf, Wis.

Our hosts again this year are Andrea and Steve DeBaker who own Trout Springs Winery in Greenleaf, Wis.

Time: Noon to 5 p.m.

Location: 8150 River Rd., Greenleaf, Wis. Located about 30 minutes south of Green Bay, about 40 minutes east of Appleton, and about 90 minutes north of Milwaukee. **Google maps:** https://www.google.com/maps/ place/8150+River+Rd,+Greenleaf,+WI+54126/@43.7820512,-88.4568997,9z/data=! 4m5!3m4!1s0x880319ecbf029fcf:0xab514c3250e7a275!8m2!

Our hosts will provide burgers, buns, condiments, plates, utensils, cups and napkins. Attendees should bring a dish to complement the entrée. Beer and wine available for purchase. Only non-alcohol drinks can be brought in. Some fun games will be part of this event.

RSVP deadline: July 21, 2021.

NOTE: -By using the Motorsportreg.com registration link below, you can sign all of the required waivers for this event. See **Register here** below.

The Wisconsin Restaurant guidelines will be followed. Masks are optional, and we ask that people respect social distancing if people feel the need.

Driver education — join us July 23 at RA

Driver education is a fun way to enhance your driving skills. It's not racing. Novices are paired with an instructor who will guide you through the 13-turn road course at Road America. You will learn where to brake, where to add speed and how to follow the most efficient line through the course.

The novice class often fills up first so sign up soon if you want to be a part of this. All drivers are placed in classes so that they are on the course with similarly experienced drives. Novices are not out on the course with more experienced drivers. This ensures everyone's safety.

Helmets are required. (Road America normally has helmets to rent.) Read the fact sheet about helmets* here https://www.porschepark.org/journal.php?id=964

*** HELMETS IN 2021 NOTE FROM PCA:**
COVID related supply chain disruptions have limited availability of Snell 2020 Rated helmets. PCA does not want to force members to compromise on such an important piece of safety equipment. We have therefore decided to continue allowing 2010 helmets through the end of 2021. As supplies improve, we do encourage those of you with 2010 helmets to replace them without waiting for the hard cutoff at the beginning of 2022.

2020 helmets are available, but in limited supply. If you have helmet preferences, please prepare for the changeover and start shopping for that new helmet.
