## From the editor's desk

Welcome to the latest edition of the next chapter in the Whaletales story. As you are all aware, Bev stepped up and for the past few years did an exemplary job building Whaletales into a monthly newsletter everyone in the region could be proud of. We hope to keep the membership informed of region news and upcoming events. The position of full-time Whaletales editor is open so if anyone has a desire to become more involved in the club and would like to take on the role, or even just contribute an article or photos, feel free to reach out to Curt or Shaun.

## From the President — Happy New Year to all of you!

I hope you all have had time during the holidays to spend time with your family and friends. This is the time of year when our family, like so many others, travel to

spend time with relatives who live farther away or host family and friends visiting us here.

The weather has finally decided to shift to the dead cold of winter. No more teasing us with tolerable temperatures, we are now firmly locked into the normal temperatures for this time of year. The cold snap in early December had some of the club members who had signed up for the Holiday Party stay home because of the bitter cold temperatures. Those who braved the cold had a wonderful time. Everyone enjoyed the conversation during the social hour before dinner. After the dinner, we concluded the silent auction and raised nearly \$700 for charity which the club will match as we have done in the past.

As we move into the new year, we will begin filling up the calendar with events. The first event of the year is the coffee and cars gathering in Marquette Michigan. Dee and Shaun Stamnes host this event again this year. The date has been selected but the details are not yet firmed up. Please keep an eye on the Events Calendar for more details next month.

We are also working on the New Members Recognition Dinner. The dinner will be held at Graystone Ale House in De Pere on the February 17th from 5:00 to 9:00 PM. Please RSVP to Dee Stamnes at [dstamnes@netnet.net](mailto:dstamnes@netnet.net) if you plan to attend.

The results of the election voting is in. The board and the officers of the club remain the same for 2026. For the coming year we are looking for more input from the members. Was there an event you enjoyed and would like to see repeated? Is there another event, drive or activity you would like to see us add or consider? We would love to get your feedback and suggestions.

If you haven't seen the news yet, as of January 1st Porsche has a new CEO, Dr. Michael Leiters. Leiters takes over from Oliver Blume who stepped down as CEO to focus on his role as CEO of Volkswagen. Blume was performing a dual roll as CEO to both organizations until Lieter's appointment. Dr. Lieter was previously CEO at McLaren and prior to that was CTO at Ferrari. Dr. Leiters has previous experience with Porsche having been there from 2000 to 2013. He was involve in developing the Cayenne Hybrid. Dr. Leiter inherits the same series of challenges facing all of the European automakers including slowing sales in China, EV market pressures, US Tariffs and a need to balance electrification with performance.

As an interesting side note to the cover and back photos in this edition, which are appropriate for the season we are currently in, they were taken during July at the Porsche Arctic Center in Levi Finland.
