# FROM THE PRESIDENT

## *From the President Rick Slater*

Greetings All;

It has been an honor to serve as president for the last two years. However all things must come to and end. Fall is the season for nominations. Please express your interest to me, or any board member. I am confident there will be a member with sufficient interest in the club to serve as I have. (When I make the ballot, it may have to be the co-winners of the fall tour show and shine.).

Election for officers will take place in December. An excerpt of the Club bylaws detailing the duties of each is included in the following page (Page 4) of this newsletter. Please consider extending your contribution to the club.

### Looking forward to the fall;

**October 9<sup>th</sup> at 7pm is the Tech Session at The Auto Clinic.** Gordon is putting together a great gathering for us. There will be a tech session and lots of door prizes. I encourage all to attend.

**November 6<sup>th</sup> dinner at the Courthouse Pub in Manitowoc.** Social will begin at 6:00pm with dinner to follow at 7pm.

Please RSVP by November 4<sup>th</sup> to Laura at [jprellwitz@lsol.net](mailto:jprellwitz@lsol.net)

**December 4<sup>th</sup> dinner at Victoria's Italian Cuisine**, 503 W. College Ave., Appleton, WI, (downtown Appleton) Cocktails at 6 pm, dinner at 7. They will have a private room for us. Parking is available on the street, or across Walnut Street in the St. Joseph's Church parking lot (Victoria's will reimburse).

Please RSVP to Larry at 920-739-4524 or [fvrpca@sbcglobal.net](mailto:fvrpca@sbcglobal.net) by Nov. 25th.

**The Holiday party this year will be January 12<sup>th</sup> At Mackinaws Grill and Sprits in Green Bay.** The format will be similar with a silent auction. Please begin your planning now to attend, and bring a silent auction item.

*Sincerely,  
Rick Slater*

# FVR—PCA OFFICERS AND DUTIES

## Article VIII - Officers and Duties

### Section 1 - Officers

The elected Officers of the club shall be the President, Vice-President, Secretary, and Treasurer, all of whom shall be considered members of the Executive council.

### Section 2 - Duties of the President

The duties of the President of the club shall be:

- a. To prepare the agenda for and preside at all meetings.
- b. To act as ex-officio member of all standing committees except the Nominating Committee or as otherwise excepted herein.
- c. To appoint committees necessary for the proper function of the club.
- d. To execute all documents and correspondence in the name of the club as authorized by the Executive Council and/or the membership.  
To sign all drafts on the accounts of the club and any documents which obligate the club.
- f. To publish in the club's official publication a report on the status of the club, its plans and programs.

### Section 3 - Duties of Vice-President

The duties of the Vice-President of the club shall be:

- a. To preside at meetings in the absence of the President or when ordered to do so by him.
- b. To assist the President in the conduct of the administrative affairs of the club.
- c. To perform such other duties as may be assigned to him by the President or by the Executive Council.
- d. To obtain the plaques, awards, and trophies that are presented to club members.

### Section 4 - Duties of Secretary

The duties of the Secretary of the club shall be:

- a. To record and preserve the notes of all meetings of the membership and Executive Council and of all votes cast thereat.
- b. To publish notes in the newsletter.
- c. To receive all ballots, count them, cause to be published the results thereof and keep them for inspection for a period of thirty (30) days after the results are announced.
- d. To publish in the club's official publication notices of proposed and adopted amendments of the Articles of Incorporation and these Regulations and other matters relating to the proper conduct of the club.

### Section 5 - Duties of the Treasurer

The duties of the Treasurer of the club shall be:

- a. To record and preserve the records and books of account reflecting the financial condition and operation of the club.
- b. To have custody of all monies, debts, obligations and assets belonging to the club.
- c. To receive all monies of the club and deposit them to the club account in a bank insured by the FDIC
- d. To sign all drafts on the accounts of the club and any documents which obligate the club.
- e. To publish in the club's official publication a report on the financial status of the club.
- f. To give a full and correct report on the financial status of the club at any meeting of the membership or Executive council.
- g. To insure that the financial affairs of the club are in accordance with the National Club Bylaws and all pertinent legal guidelines regarding same.

# MONTHLY BOARD MEETING NOTES

## *September notes*

### *September Picnic Meeting*

The Labor Day picnic at Porsche Park, located inside Road America, was another fun filled event. The weather co-operated with warm sunny skies.

Thanks to Gordon Skog for bringing in all of the supplies necessary to make the grilling portion of the day a success. Volunteers worked together to set up the tent and tables that held a variety of goodies in the “dish to pass” category while others set out to grill burgers and brats.

After a nice lunch, many wandered to the pits to take a closer look at the cars while the rest had a front row seat to view the races.

Not a lot new to report this month.

**Nominations – election time for board members is upon us.** We are in need of a President. Rick has served the maximum number of terms set forth in our bylaws and we are in need of a new leader.

Position descriptions are in the newsletter this month again on page 4. If you have an interest in helping out, please let a board member know. Feel free to volunteer; you won't offend any current board members if you want to take a turn in their position. Ballots should go in the November newsletter.

Be sure to utilize the **FVR PCA library**. It's free, it's easy, and it's on the honor system. It also gives you a chance to rub elbows with Gordon and his staff while you're there!

***Mary Haen***  
***Secretary***

# 3RD ANNUAL PICNIC @ ROAD AMERICA

## ROAD AMERICA - SEPTEMBER 3, 2007!

Greetings fellow Porsche Owners,

The Third Annual FVR-PCA picnic at Elkhart Lake took place on Labor Day featuring Club Races hosted by the Chicago Region.

There were several hundred Porsches on the track, and nothing but Porsche aficionados around the course. Here are photos of the event provided by Jamie and Laura Prellwitz. The weather was just perfect for this years' picnic.

### *Photo gallery...*

*Special Thanks to  
Jamie Prellwitz  
for these great  
photos .*

# 600-MILE FVR FALL TOUR

## Fox Valley Region's "Circle" Fall Tour

A flotilla of ten Porsches crossed Lake Michigan on the S.S. *Badger* car ferry from Manitowoc, WI, to Ludington, MI, on Friday afternoon, September 14. It seemed a bit unusual for the Fox Valley region's 7<sup>th</sup> annual fall tour to begin on water, not land, but twenty adventurous members were taking the "short cut" to Michigan for the weekend. The crossing was not for the faint of heart, or stomach. Strong winds and long rollers, made for a rollercoaster-like passage.

Upon arrival, the group drove about 75 miles to Cadillac, MI, for the first night's stay. Several people were quite glad to be back on terra firma. Furthermore, we enjoyed the irony of all the Porsches parked in a lot in Cadillac! We were also joined by another Porsche-phile from Michigan. A pizza social was enjoyed by all in the motel lobby for the remainder of the evening.

Despite near record low temperatures early Saturday morning, a heated battle of waxing and polishing one's vehicle ensued in the parking lot. "Shine and show" commenced at 8:30 AM and the final decision is still being jokingly contested. After a temporary truce was declared, and some intermittent rain showers came upon us, the group headed north towards Petoskey and followed scenic roads along Michigan's western shoreline. The "Tunnel of Trees", or M-119, lived up to its name, offering many tight turns, curves, and steep hills. We were feted at an Old World and very picturesque Polish-American restaurant which was on a bluff overlooking Lake Michigan. By this time, the skies had cleared and there was abundant sunshine to enjoy the panoramic views. A group photo was taken, with Porsche flags, in the adjoining gardens to the restaurant.

A quick jaunt northeast of there took us to Mackinaw City, where we power-shopped for 90 minutes, making sure to purchase some of the world-famous fudge there. A few members walked to some local historical sites also. Crossing the Mackinac Bridge to the Upper Peninsula was a five-mile thrill. This year is also the 50<sup>th</sup> anniversary of the bridge, which added to the enjoyment of being there.

Turning west onto Hwy. 2 and following the southern shoreline of the U.P., we trekked to our final destination for the day in Manistique, MI. Although it had been a long day's drive, our group was still full of energy and much socializing quickly began on the porch and lobby areas of the motel. The motel manager's young son was fascinated with "all the race cars" and had his photo taken sitting behind the wheel of a few cars. We'll have to remember to send him a member application form when he turns 18! Supper was at a local establishment that featured boiled hamburgers and all food was served on pie plates; a unique atmosphere. Upon returning to the motel, the merriment continued in the lobby until quite late. It's often said, "It's the people, not the cars", and our group truly exhibits that philosophy!

Sunday morning was quickly warming due to abundant sunshine. Most of us took a leisurely drive back to the Green Bay/Appleton areas of Wisconsin. A few made some delightful side trips to a natural spring state park and the Fayette Historical Site also.

Thanks to Jim Prellwitz, Doug Richter, and Gordon Skog for their assistance with the tour. It wouldn't have been possible without your support. Also many thanks to those who took photos, brought generous snacks and beverages to share, brought "Maggie", or who contributed to the tour just by being there and having fun.

This was the best ever attended fall tour for our club, and the most adventurous. The entire circle route was nearly 600 miles, not including water miles. Many active members participated, but some new faces were also present. We hope to see everyone again for next fall's "Mystery Tour." Watch for further details in spring!

***Laura Prellwitz***

Porsche Club of America

A ONE-STOP RESOURCE FOR ALL OF YOUR NEWSLETTER NEEDS

### *Easing up the "pain at the gas pump" !*

*Here are some tricks to help get your money's worth when you fill up...*

1. Fill up your vehicle in the morning when the ground temperature is coolest.

Service station storage tanks are buried below grade; the colder the ground, the denser the gasoline. Gasoline expands with rising temperatures, so if you fill up in the afternoon or evening, you will be pumping less than a true gallon.

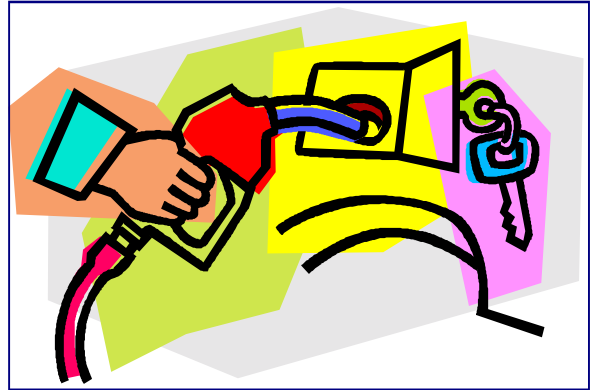

In the petroleum business, the specific gravity and temperature of fuel (gasoline, diesel, jet fuel, ethanol and other petroleum products) is significant. Every truckload is temperature-compensated to indicate gallonage is true to the amount pumped. Service stations don't have any temperature compensation adjustment at the pump.

2. Don't buy gas if a tanker truck is filling the station's tank. Dirt, and sludge at the bottom of the service stations underground tank is being stirred up. You could transfer that sediment to your vehicles tank.

3. Gasoline evaporates very quickly, especially if it's warm. Fill up when your gas tank is half-full (or half-empty). The more gas you have in your tank the less surface liquid is exposed to air; less evaporation from your tank. (Gasoline storage tanks use an internal floating 'roof' membrane to act as a barrier between gasoline and the atmosphere to minimize evaporation.)

4. The gas trigger has three delivery settings: slow, medium and high. Don't squeeze the trigger to the highest setting. The high flow agitates the gasoline being pumped as well as agitating the gas in your tank causing a high level of evaporation. You effectively lose gas while you are pumping. (Hoses at the pump are corrugated inside to recover evaporation loss.) Pumping slowly creates less fuel loss due to evaporation.

Hope this helps ease the 'pain at the pump'...

# FROM WITHIN THE 13TH ZONE

## *From Within the 13<sup>th</sup> Zone – October 2007*

### ***Fall is Upon Us***

The days are now getting shorter, leaves are beginning to fall, kids are back in school and fall tours and rallies are in full swing. My children have been in school about a month now and it seems like a juggling act to get three kids to different activities typically at the same time.

Late August took me to the Bluegrass Region for the Annual Keeneland Concours in Lexington, KY, where it was a beautiful day and an awesome event. The Region won the paddock challenge in collecting more money for the local charity than any other marque to the tune of \$2200 plus. Great job!

Labor Day weekend was spent at Elkhart Lake's Road America with the Chicago Region's Annual TRAC (The Road America Challenge). This event has previously been referred to as the "Superbowl of Club Racing". This weekend was no exception. The weather was outstanding for 5 straight days. Approximately 150 DE drivers and 230 club racers swarmed to this racing mecca. Congratulations to the region for another great and fun weekend including the police escort to Siebkens and the terrific buffet dinner.

The events that are quickly approaching and worthy of attending are: The Milwaukee Cup (DE & Club Race) September 28-30<sup>th</sup>, Kentucky Region's Autumn Derby, October 5-6<sup>th</sup>, and Chicago Region's 50<sup>th</sup> Anniversary Party, November 17<sup>th</sup>.

Going into this time of the year, Board position nominations begin in preparation for Regions' new Boards to be in place for 2008. Now is the time to step up and have a positive impact within the management of your respective regions while having a great time. Throw your name in and see if you can make a difference to the membership in your area.

### ***National Notes from Monthly Conference Call***

To this point PCA National has hosted two Auto Raffles; both have sold out and were considered a success by the winners and the executive council. Looks like additional raffles will be coming in 2008.

Even numbered Zone Presidents will be receiving a solicitation for reappointing the existing Zone Rep or in three zones (6, 8, 12) a new replacement will be sought. I am not sure where the time has gone...but I have nearly completed three of a possible four years of my appointment. If you have any interest in becoming a Zone Rep within Zone 13 in 2009, let me know. I would be glad to discuss the job.

The upcoming Winter Board Meeting will be held in Dallas, Texas in February 2008. The Bluegrass Region has offered to host either the Spring or Fall Board Meeting for the executive council within their area. Way to step up Bluegrass!

The Zone Reps and members of the EC had a lengthy discussion regarding the popularity of driving tours to a winery type facility or where alcohol is served and the potential liability to members and PCA. It is advised to be careful and responsible when planning such events.

***It's not the cars, it's the people. Go out and start enjoying the Porsche Passion! Until next time...***

***Chris Inglot***

# PORSCHE RENNSPORT REUNION 3—NOVEMBER 07

## Porsche Rennsport Reunion III

Daytona International Speedway

November 2-4, 2007

Featuring the Legendary 917 and 956/962

Porsche Club of America members will have the opportunity to spend an evening with fellow members and Porsche racing legends during the PCA Dinner Gala event at Rennsport Reunion III, to be held the evening of November 3, 2007 in the "500 Club" at the world famous Daytona International Speedway. But you will need to act quickly, as only 450 seats are available for this special program!

### **UPDATE: Due to overwhelming demand, the PCA Dinner Gala has SOLD OUT!**

Dinner registration was open on Tuesday, September 18, 2007. PCA members were able to visit [www.pca.org](http://www.pca.org) to obtain the dinner registration form, which must be mailed (US Postal Service) with a check to the PCA National Office. Dinner registrations will be taken on a first come, first served basis, postmarked no earlier than the opening day of registration. If the dinner is sold out on the first day, Parade oversubscription procedures will apply.

Tickets are \$40 per person. A cash bar will be available. Speakers are being arranged by Porsche Cars North America.

Rennsport Reunion III is a PCNA event, administered by Brian Redman's Intercontinental Events and the Daytona International Speedway.

In addition to the banquet, PCA will be assisting with several activities:

1. Porsche model-specific parking corrals
2. "History of Porsche" car display (with Carrera Club Coupe special exhibit)
3. Supervised track touring
4. PCA Hospitality and membership area
5. Scrutineering of the racecars
6. PCA Dinner – Evening of November 3, 2007 as detailed above
7. PCA volunteers to assist with our involvement

We are still seeking superb original examples of each Porsche production model for the "History of Porsche" display, which will run for three days, November 2-4, 2007. Production models will include those marketed by Porsche as distinct models. For example, in the early-nineties 911 (964) line, the C4, C2 and Turbo will each be represented. Vehicles chosen to represent the different models will include a variety of body styles (Cabriolet, Targa, Coupe). The PCA Rennsport committee will make the final vehicle selections.

Please contact the display chairman, Steve Gaglione [nine.fourteen@verizon.net](mailto:nine.fourteen@verizon.net) or 813 978-3433 for an application if you are interested in participating in this unique display. (For vintage/historic racecars or PCA Club Race cars, please go directly to the official Rennsport site, [www.rennsport2007.com](http://www.rennsport2007.com)).

We are also still looking for PCA volunteer workers to assist with the various activities listed above. Special commemorative shirts will be provided to the volunteers by Porsche Cars North America, to acknowledge their participation.

**To volunteer, please contact Bob and Dora Barren at [dorabob@comcast.net](mailto:dorabob@comcast.net) or 904-268-8877 in the evening.**

## FROM PORSCHE CARS OF NORTH AMERICA

**New Porsche Cayenne GTS Debuts at the IAA in Frankfurt****Cayenne SUV Gets Sports Car Upgrades**

ATLANTA, SEPTEMBER 7, 2007 -

Porsche underlines the real sporty edge of its successful Cayenne series with the addition of a new model to be unveiled at the Frankfurt International Auto Show next week and going on sale in 2008: the Cayenne GTS boasts a specially developed chassis with permanent all-wheel drive, a V8 engine that offers a sizeable increase in horsepower and for the first time in North America will be available with a six-speed manual transmission.

With its lowered body, the new Cayenne GTS reveals a distinctive front and rear look combined with striking wheel-arch extensions that provide plenty of space for the standard 21-inch alloy rims with 295/35 R21 tires. Redesigned front and rear seats reflect the sportier personality of the new model. Two new paint finishes will be introduced with the Cayenne GTS: Nordic Gold Metallic and GTS Red.

In the United States and Canada the Cayenne GTS will come with Porsche Active Suspension Management (PASM), an electronically controlled damping system and complete with air suspension as standard.

The 2009 Cayenne GTS is scheduled to make its North American debut in March of 2008 at a U.S. price of \$69,300.

Porsche Cars North America, Inc. (PCNA), based in Atlanta, GA, and its subsidiary, Porsche Cars Canada, Ltd., are the exclusive importers of Porsche sports cars and Cayenne sport utility vehicles for the United States and Canada. A wholly owned, indirect subsidiary of Dr. Ing.h.c. F. Porsche AG, PCNA employs approximately 250 people who provide Porsche vehicles, parts, service, marketing and training for its 213 U.S. and Canadian dealers. They, in turn, provide Porsche owners with best-in-class service.

<u>TRANSFER IN</u>	<u>Car</u>	<u>Transfer from</u>
David Stank	1982 911 SC	Milwaukee
Andrew Weber	2005 997	Metropolitan New York

**France and Denis Grimard are now citizens of the United States.**

**On September 20 and 21, 2007, Denis and France proudly recited the Oath of Allegiance and were received as new naturalized Americans.**

**The ceremony took place at the Federal Court in Milwaukee with several other new citizens. Special appreciation for everyone's support.**

## EDITORIAL POLICY

Whaletales is the official monthly publication of the Fox Valley Region of the Porsche Club of America. Statements and opinions appearing in Whaletales are those of the author, and not necessarily those of PCA, FVR, the Board, or the Editor.

The Editor reserves the right to edit all material and to publish only material that is felt to be in the best interest of FVR-PCA. Other regions are welcome to reprint Whaletales articles, provided that the source and author are credited.

Email address changes must be sent to the Newsletter Editor (Denis Grimard) at [boxster@new.rr.com](mailto:boxster@new.rr.com)

To have your questions, comments, articles or pictures published in Whaletales, email the Editor at [boxster@new.rr.com](mailto:boxster@new.rr.com) no later than the 20th of the month.

Please send all information (writings and pictures) as an attachment in your email.
