# From The President

Well Spring is upon us and I sure hope all members have their Porsche's out of storage and enjoying them. Our club's Spring Opener at Pipe was one of the best ever. The weather was perfect and no lake flies; perfect for dining outside on the patio of Jim and Linda's. Judging from the large turnout and the many Porsche's in the parking lot, this year's event was a hit. Al and Pat Utecht have done a wonderful job hosting this annual event, so if you missed this year's opener, make plans to attend next year.

We also had what is becoming one of our clubs more popular events, the Spring Waterfall Tour. This year's event was In Munising, Upper Michigan. Again we had beautiful weather and the bugs left us alone. Al Curran and Laura Prellwitz hosted this event. For those that did not make the trip, you missed some of the most scenic parts of our country that there is. Thanks Al and Laura for putting this together.

Spending the time at these past two events has made me realize, how much the club has given to me, the enjoyment of driving my Porsche in some of the most scenic parts of the country and spending some of the most enjoyable and memorable time with the friends I have made through the club. I never would have had this, if it were not for my Porsche's or my joining and participating in the club's activities. The club truly has given me way more happiness, friendships, and memories than I could ever have imagined. With that being said, I urge all members to enjoy their Porsche's, but also get involved with the club, attend some of the events, or even host an event. The rewards are great, I promise you and the memories will last forever.

Remember to check the clubs Calendar of Events and set the dates to attend future events.

Proud to Be Your President,

Gordon Skog

# Kaffeeklatsch by County

In an effort to get members together in a more casual setting, and in a place (hopefully) not too far from home, the Fox Valley Region will begin having Saturday morning coffee meetings hosted by various members in their county of residence. There is no agenda; just meet your fellow club members and talk Porsche for as long as you'd like and perhaps share a pot of coffee. You are welcome to attend as many meetings as you'd like. You don't have to just attend the one where you reside. Everyone is welcome- bring a friend if you'd like as well.

**As long you're "talking Porsche", it's all good!**

Thanks to all our hosts!

# June 8, 2013: Ladies' Only Tour

June 2013

Ladies, reserve **Saturday, June 8, 2013**, as YOUR day to drive and enjoy your Porsche! This year's tour will take us to beautiful Washington Island, in Door County. We will meet at the BP Station/McDonald's at 2721 Manitowoc Road, Bellevue (east side of Green Bay) to **DEPART @ 8:30 AM**. Please be prompt! Manitowoc Road is exit # 181 off I-43. It is about a 2 hour drive to Northport where the ferry will take us to Washington Island. We will take the 11:00 AM ferry and will spend the afternoon on the 35 square mile island.

Sun	Mon	Tue	Wed	Thu	Fri	Sat
2	3	4	5	6	7	8

Costs and options: The 2013 rates are \$13 per person for the ferry only. Each auto is \$26. Therefore, two people in one car is \$52. IF you do not wish to take your car to the island, you may park it at the Northport Visitor's Center parking lot and pay the \$13 fare only. Upon disembarking the ferry, you may walk to some scenic areas and do some shopping, rent a bike or moped. Another option is to ride the 2- hour scenic and narrated Cherry Train tour. Individual tickets are \$15, or you may purchase a combo ticket (ferry fare and Cherry Train) for \$27.50. For more information about the ferry, <http://wisferry.com/ride-ferry> For more information about the cherry train, <http://www.cherrytrain.com>

For those of you who take your car to the island and will be driving, we will not have a "follow the leader" type tour. Since it's an island, the chances of getting lost are quite low. Therefore, you will be given a map of the island highlighting points of interest, things to see and do, list of restaurants, etc., so you will be free to explore at your leisure. Everyone needs to be back to the ferry dock before 4:00 PM to catch that ferry back to the mainland. The last boat of the day is at 5:00 PM.

We will gather back together at the Northport Visitor Center (ferry dock) and will drive south on Hwy. 42 making a shopping stop at Seaquist Orchards and at Ellison Bay Bluffs County Park for a scenic view.

If you have any questions, please e-mail me at [lprellwitz@att.net](mailto:lprellwitz@att.net) or call 920-242-1644.

# July 13, 2013: Iola Old Car Show & Tubing

## Fourth Annual Iola Old Car Show & Tubing Picnic

July 2013

Sun	Mon	Tue	Wed	Thu	Fri	Sat
7	8	9	10	11	12	13

When: Saturday, July 13, 2013

Where: [N4975 County Road B](#)  
New London, WI (6 miles west of New London, from Wisconsin Highway 54, take Waupaca County B 3/4 mile north of Royalton)

Hosted By: Mark & Barb Wilkinson

Details: We are hosting at our home the fourth annual cookout / social to coincide with the Iola Old Car Show weekend. For those interested in visiting the Iola car show, it is about 15 miles to the show grounds from our home. The theme of this year's show--geared towards vehicles 30 years old or older-- is "Showdown in I-Town: Ford versus Chevy" making this another great opportunity to get a dose of automotive nostalgia at one of the nation's largest old car shows.

For those that would just as soon kick back, enjoy the weather, friends, food, and refreshment; well - come on and enjoy the party! We have 32 acres on the Little Wolf River, with several mowed trails for taking walks, and shaded seating on the deck. Bring along lawn chairs, lawn games, or other outdoor summertime recreational favorites. Canoeing or tubing down the Little Wolf River is a local favorite in the summer months. "Putting In" about a mile and a half up the road with one of our private fleet of tubes and the optional "Beverage Barge" will float you to our back yard in two to three hours, depending on the rate of flow (I meant the river!). We will supply snacks, dips, roast beef sandwiches, water and a sampling of other refreshments. If you care to bring something along that's OK - but really not necessary!

Contact: Please RSVP to Mark Wilkinson by Thursday, July 11 [mark.wilkinson@charter.net](mailto:mark.wilkinson@charter.net)

Laura Prellwitz has made contact with WVBO, the radio station that is organizing the car show that Bryan Robertson has suggested that our club participate in this July. Below is their reply. This really does sound like it could be a very fun event! Thanks for the suggestion, Bryan!

Subject: RE: WVBO Contact Us

Hi Laura, and THANKS for contacting us about your group's interest in the WVBO car show & cruise! We would be thrilled to have you join us his year. I am in the final stages of signing a contract to use the parking lot at Fox Cities Stadium instead of Fox Valley Tech due to some expected road construction on Bluemound this summer. We expect this to be made official within a week.

Until then I can tell you that there is no charge for registration for the WVBO show. We invite people to set up their vehicle on site between 1-3pm. Then 3-6:30 is the short show. We hand over 6 awards from our radio personalities and award positions in our 2014 WVBO Classic Car Calendar. Finally we take a short cruise down College ave to Lawrence University. While it is not an official parade, expect several hundred spectators downtown who have come to expect this event year! Also, the WVBO car show is in partnership with the Appleton Old Car Show which occurs the next day on Sunday.

I'll keep your email close so that I can get you a flyer or website which contains all this information. Please let me know if you have any further questions at this time.

## Part Five

Well part five of my 356 project, is that I have not done a damn thing to it, since part four.

Spring hit me right between the eyes and came on faster than I could have imagined. I had to spend all my spare time, getting my 930 ready for the Waterfall tour and working on several of my relative's cars this past month. Work has just been crazy busy and there is just not enough hours in the day.

Working on my older Porsche's has become somewhat challenging to get parts as I found out while working on my 1977 930, having ignition issues and the parts that I need are not available and will not be available. So with some research and discussions with fellow club members, I have come up with a solution for my problem. I will keep you up to date as I get the parts and get them installed, as to how it all works out.

Stay tuned next Month to see how well I do on my 356 project.

I just need to stay focused and I need a few more hours a day, that's all.

## Spring opener and May Social at Jim & Linda's in Pipe

"Spectacular" does not begin to describe the evening of our club's spring opener at Jim & Linda's Supper Club on May 7, hosted by Allan and Pat Utecht. Thirty-six people in attendance with nearly two dozen clean and shiny Porsches in the parking lot almost set a new record for this annual event. With temperatures in the upper 70's, clear skies, and the total absence of flying insects, the group spent two hours prior to dinner socializing and appreciating each other's cars in the parking area. It was a great way to make new friends, and catch up with those we've not seen during the winter. We were treated, for the first time ever, to dinner on the patio outdoors where everyone had a breath-taking view of the sunset over Lake Winnebago while dining on delicious food. Additionally, Dave Wingert, Vice-President of Lustra products, gave about a 10 minute presentation on Brake Dust Repellant. BDR is advertised monthly in Panorama and their home office is located in DePere, WI. Dave explained the technology, purpose, and use of the product, and then each member

received a free 16 ounce bottle. (Note: A representative from BDR will be at Gordon's tech session on Tuesday, October 8. A hands-on demonstration will be given then, and members who received their free bottle are encouraged to attend and give personal testimonials of the product.)

The evening wrapped up with door prizes, which were the plants/flowers that were centerpieces at each table. Announcements were made for upcoming events by many of the host who were present. It is clear we have a lot of exciting and varied activities for our membership, and it is encouraging to see the support the membership is giving to those volunteers.

New members, John & Connie Manki, and Don & Jeanne Pappas joined us for their first and second events, respectively. Recent members, Bryan Robertson (and beautiful infant daughter, Chloe,) along with Bill & Jeann Behlman joined us for their third time. We are always happy to see our new members come out for new events; their energy and enthusiasm

## 2013 FVR-PCA Spring Waterfall Tour was a huge success!

This year's event was co-hosted by Al Curran (route master) and Laura Prellwitz (accommodations and food coordinator). Thirteen members in seven cars travelled together from just north of Green Bay to Munising, MI. We encountered steady rain until just south of Marinette, where the waterworks finally abated, and by the time we reached Escanaba, we had some breaks of sunshine. Near Chatham, MI, the temperature had warmed enough that a few of the Boxsters even dropped their tops. Unfortunately, about 11 miles outside of Munising, the water pump on the Beaver's 1999 Boxster decided to stop working. In true FVR-PCA fashion, the Janes', who were following them, stopped and stayed with them. Dennis Schreiner and Darcey Magnuson who were slightly ahead of the now disabled car were able to find cell phone service and called the Prellwitz's in the lead car. Once the message was received, the whole group looped and back and stayed with the Beaver's until a tow truck arrived. It wasn't an easy feat to find cell phone with service to call AAA, but Dennis Schreiner saved the day. Using Dennis' phone, Warren was finally able to complete a call for road side assistance. Fortunately, Nick Proctor had an empty passenger seat in his brand new 2014 Cayman S, so Joyce took that spot, while Warren rode with the tow truck driver, who took the Boxster to our motel in Munising. From there, the Beaver's were able to arrange a U-Haul truck with a car trailer for Sunday, so they were able to drive home with their vehicle in tow. Although these circumstances

were highly unexpected, it was amazing to watch our members help one another out, and to make the best of a negative situation. It really is all about the PEOPLE.

Converging on the AmericInn, we met the rest of our group for a total of twenty-five members in 13 cars. The Burress', with their beautiful 2010 Panamera S, offered their back seat to the Beaver's for the tour on Saturday, so everyone would still be able to participate. Again, the generosity and kindness our members show to one another is truly heartwarming and unique to the FVR.

We arrived almost an hour late for dinner at Sydney's restaurant, but the staff was most accommodating to our unplanned circumstances. The food and service were excellent, and everyone had a great time catching up with old friends and making new ones. Although it was getting a bit late, a few energetic members socialized for some time back at the motel in the breakfast room area. It was good to be "up north" and to relax!

Saturday's weather was quite overcast, and despite a rainy forecast, we stayed dry and bug free. A driver's meeting was held at 8:30 AM, with general departure at 9:00 AM. Al Curran led us on a beautifully scenic tour primarily following H58 from Munising to Grand Marais, MI. Highlights of the tour included stops at Munising Falls, Sable Falls, Grand Marais, lunch at the Lake Superior Brewery, Log Slide, Miner's Castle, and Wagner Falls. A small amount of hiking was required at a few of the stops, but was well worth the effort. These hidden treasures of the forest were fantastic. The local area had over 215" of recently melted snow as hydration for the falls, so the amount of water cascading down the rocks was indeed amazing. And, yes, we did see some still unmelted snow in some low lying areas! Al did a wonderful job in pacing the tour and providing sufficient time to walk, explore, photograph, and socialize at each stop. H58 was a fun, curvy, hilly road that was perfect for Porsche touring. However, some of the curves were a bit too much for Gordon Skog's 1977 930. A yet undiagnosed problem was causing his engine to smoke considerably, and we thought we were going to have to locate an oil refinery to replace what was being burned. Gordon had to become the last car in line so the rest of us could see where we were going, but again, our group looked out for him at all times. Amazingly, he apparently has a self-repairing motor, as eventually the problem seemed to mitigate and the smoke cloud improved considerably. As of this writing, Gordon has reported that he is safely back at the Auto Clinic, so no worries.

Saturday evening was spent at the motel. Members pre-ordered sandwiches, salads, and/or pizza from a local restaurant, and it was delivered to the fireplace lobby where an impromptu potluck of snacks and munchies were shared. Good conversations and lots of laughs were shared for many hours. Discussions of future events were also held, and if you peruse our club's calendar, you will see we have some members who have already volunteered to host future spring and fall tours. Thank you all for your leadership and commitment to keep our club thriving!

Sunday morning brought an early start to some folks who needed to hit the road and head home to more mundane tasks like work, grocery shopping, house cleaning, grass cutting, and other family responsibilities. Thank you for taking time out of your busy schedule to run away with us in our cars and enjoy our passion for Porsche together.

# Linda Russo Thank You Note

FVR Treasurer, Larry Rogers, received this thank you from Linda Russo. The club donated \$100 each to St Paul's Hospice and St. Elizabeth Hospital in Greg's name.

Even though Greg was in the final stages of his cancer in December, and unable to attend our Christmas party, he donated several items for our Christmas charity raffle, which brought in nearly a hundred dollars.

Greg was our Fox Valley region PCA president in 2002-2004.

# Porsche Luggage Charity Raffle

**WIN THIS PIECE OF PORSCHE LUGGAGE! RETAIL VALUE IS OVER \$900!**

Approximate dimensions are 52.5 x 39 x 24.2 cm

**Robert & Carol Burress have generously donated this piece of new, unused Porsche luggage** to our region to raise money for the American Cancer Society, one of our club's charities. Robert & Carol (along with Greg Rigoni) are hosting this year's Fall Tour, and would like to raise as much money as possible for ACS, and to also have record attendance at this year's Fall Tour based out of Minocqua.

**There are two ways to win.** 1.) Attend any Fox Valley Region event between now and the Fall Tour. You may purchase raffle tickets for \$5 each, or 5 for \$20, or a maximum of 15 for \$50. You cannot purchase more than 15 raffle tickets at any one event. However, you can purchase up to 15 raffle tickets at each event you attend. 2.) Attend the Fall Tour where all participants will be able to purchase as many raffle tickets as they like. **The winner's name will be drawn during the Fall Tour, September 20-22.**

## HELLO MY NAME IS

If you have been to a club event, undoubtedly you have seen others at the meeting with the attractive and classy engraved wood name tag, which is a great alternative to the press-n-peel name tag.

Now, you will no longer need to be embarrassed when you forget to take it off and go somewhere else afterwards - this FVR logo name tag rocks!

Larry Rogers has the solution for you! Our region has very attractive and professional name badges that are laser-engraved with our region's name, and

most importantly, your name for about \$12 each. You can order either a pin-on style or magnetic style. Please contact Larry at [fvrpca@sbcglobal.net](mailto:fvrpca@sbcglobal.net) to order yours now. You can have it in time for our upcoming events.

## The Learning Curve

I'm betting that we have all heard some form of the statement about weather in Wisconsin, if you don't like the weather, "just wait five minutes, it will change". Well, I think we had a bit longer than that to wait this year, but it was certainly worth it. It was sure a bit longer than a few minutes, but what a difference a few weeks have made. And now we are in the prime Porsche season in Wisconsin.

And now we have a great many events on the horizon, ranging from a local koffeecratsch to the PCA Porsche Parade not far from the Mackinac Bridge in Lower Michigan. The FVR events already held this year have been well attended and much enjoyed by the participants, so be sure to take the opportunity to be part of the fun at one of the many events on the club calendar.

In this issue we have some interesting material, including the FVR Board Governance Guidelines, a document which will provide insight to the decision-making process used for normal club business. This document, applied in conjunction with the club bylaws (available on the web at <http://fv.pca.org>) provides our guidance on matters such as charitable donations, event sponsorship, and how the board handles requests for such activities.

Also, a two page PCA membership application flyer has been included in this issue - please feel free to become official FVR ambassadors and invite other local Porsche owners to join the Fox Valley Region.
