Cover Page

It is the reminder of a lost childhood. It smells of gasoline, of asphalt, of the race track. It can tell you tales of historic races, of victories and records, of naturally aspirated engines and manual transmissions, of red stripes and of the Porsche logo on its side. The Porsche 911 R was built specifically for motor racing in 1967. Now it is back - in a limited edition of just 991 vehicles. The new 911 R.

From Your Region's President

Hello to All,

I hope all of you are enjoying this unpredictable Wisconsin weather. I am sure many of you, myself included, ventured out with your Porsche only to have it relegated back to the garage for warmer days to come. This has been an unusual beginning of 2016, but better days are ahead of all of us.

I would like to take a minute here to thank Jim and Mary Haen for hosting the new member get together at the Graystone Ale House in early February. We had a tremendous turnout after having the event rescheduled due to the weather which leads me to my next note. Our annual board of director's meeting had to be rescheduled as well due to the threat of snow for March 24th. Mother Nature may not be a Porsche fan after all. We have rescheduled that meeting for April 21st at The Red Ox Seafood and Steakhouse. Board members can find additional information on this event in this month's newsletter.

Even with a slow start to 2016, I have been seeing more interest for events in this coming year. We are all excited for our annual spring opener at Jim and Linda's Lakeview Supper Club in Pipe, WI on Tuesday, May 3rd (details in this newsletter). Another event that is in the works is a wine tour event being hosted by Erik and Lorelei Schhainger during Memorial Day weekend. It will be just a partial day filled with some driving and stops along the way to sample a few different wines at local wineries east of Green Bay. The tentative meeting location will be Titledown Brewery in Green Bay (More details to follow in next month's newsletter.)

We have been very blessed to have had a wonderful newsletter editor, Mark Wilkinson, for the past 6 plus years. With Mark's passing, we are in need of someone to take this over and to have as much fun with it as I know Mark did. With every end of a chapter, a new one begins, so I respectfully ask if there is someone who has a passion or desire to be involved with this fun and exciting opportunity. If so, please feel free to reach out to myself or current board member.

Finally, I would like to announce that Barb Wilkinson would still like to host the June 4th State Park tour event and the annual Little Wolf River tubing event on July 9th. With regards to the Little Wolf tubing event, Barb is asking for some help with preparing for the event. If we could get 5-6 people to help volunteer to put the dock in and do some other items, we could get this done in less than a half of a day and then celebrate with a cook out afterwards. We are looking at doing this on Saturday, June 18th starting at 9:00am. Please let Barb or myself know if you would be interested in helping. As always, please see the newsletter for further details on this and all of our fun future events.

Happy and safe motoring!

June 4, 2016: State Park Free Admission Day

Scheduled to take advantage of the 2016 Wisconsin State Park Free Admission weekend, a destination tour to Rib Mountain State Park in Wausau is planned for Saturday, June 4.

Various stopping points along the route will offer a fun and enjoyable day. For a little bit of refreshment, how about some “squeaky” fresh cheese curds fresh from a local cheese factory? One of my favorites, Mullins Cheese near Mosinee, is along the way.

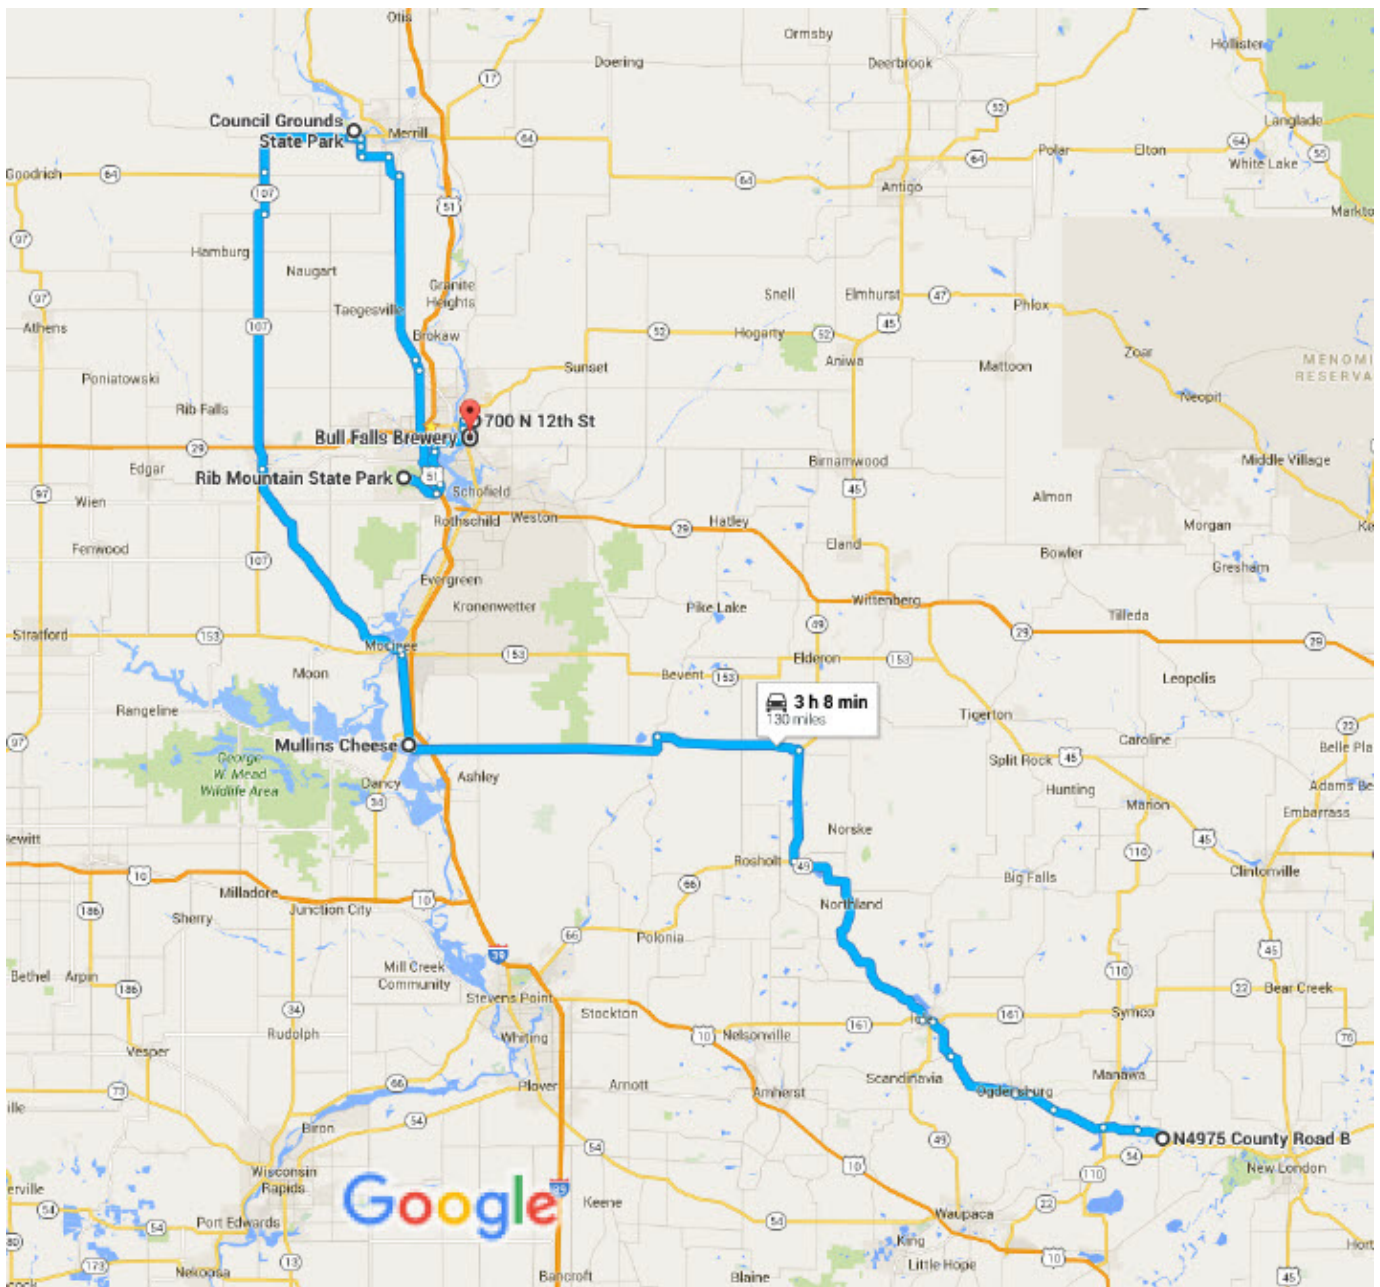

And to feed the artistic spirit, a visit to Leigh Yawkey Woodson Art Museum in Wausau is planned as well. Scheduled exhibits for the month of June include *The Art of Seating: Two Hundred Years of American Design*; *Audubon to Wyeth: Paintings, Drawings, and Sculptures*; and *Capturing Nature: The Art of Owen J. Gromme*. Admission to Leigh Yawkey Woodson Art Museum is always free of charge.

For those who might want to enjoy a bite to eat afterwards, an additional post-tour destination will round out a day of enjoying our Central Wisconsin travels.

For more information, contact barb.wilkinson@charter.net

Key destination points are Mullins Cheese, Council Grounds State Park, Rib Mountain State Park, the Yawkey Woodson Art Museum and Bulls Falls Brewery, all avoiding major roads and highways where possible. The tour will start from Barb's house at N4975 County Road B, New London (departure time is TBA). Entire route is about 130 miles.

June 4, 2016: MKE Region Gimmick Rallye

Gimmick rallye offers fun for driver and passenger

Tired of Wisconsin Winters? Dreaming of getting your Porsche out of storage? Well here's something to keep you excited. On June 4, 2016, join your fellow Milwaukee Region members for a Spring GIMMICK Rallye. More details will follow in April, but here's enough to pique your interest and get you to sign up now.

The GR will start and end in Reedsburg, Wis. You and the Navigator of your choice will cover a 50 mile course through the scenic back roads of Sauk County.

During your drive you'll be asked to identify about 30 landmarks along the route and answer a question proving you actually saw that item. No points are given for arriving first, so you can proceed at your own pace. This is not a race.

Everyone will finish the course at a pub in Reedsburg where it will be great fun comparing notes while you wait for the final results. A very nice prize awaits the winning team plus, of course, bragging rights!

No prior experience necessary. Cost per car is \$20. All are welcome you need not drive a Porsche so challenge your friends to join you in this fun event.

Think of a GR as a "scavenger hunt on wheels," but you won't have to bring any items back.

While you are welcome to register on the event day, your advance RSVP would let us know how many instructions to print and to give a head count to the pub.

Please feel free to contact Bob Budecki with any questions. Email: rbudecki@att.net 262-375-1038.

June 19-26, 2016: 2016 Parade

What is just a bit over 1,000 miles away, and will be held in Jay Peak, Vermont Sunday, June 19, 2016 to Saturday, June 25, 2016?

**That would be Porsche Parade 2016 -
The 61st Annual Porsche Parade!**

Parade is PCA's annual, weeklong event when thousands of members descend upon a new location every year to explore in their Porsches – often in Parade-organized driving tours – in addition to other events such as autocross, concours, time-speed-distance and gimmick rallies, banquets, regional-specific activities, and more. Bring the kids, too, as they'll be kept busy with activities including model Porsche concours, RC car racing, and ice-cream socials.

Note: Some Fox Valley Region members are already planning to attend, if any others are considering doing so please send me an email at whaletalesFRV@gmail.com and I will maintain a list shared among those planning on traveling to Vermont in June.

FVR ID Badge Update

New Fox Valley Region ID Badges are available!

Discussion on various proposals for updating the Fox Valley Region ID badges has been underway since late in 2013, and the FVR board has recently approved the design shown below. If you have the older name badges and you are happy with them, they will be just fine, updating to the new ones is completely optional. If you would like to update to the new design which will be our standard ID badges going forward, the new badges will be printed plastic laminate cards, featuring the PCA and FVR logos, member name, with first name in large, easy to read letters. The background image is the Porsche 919 hybrid featuring the new livery design based on the Porsche Intelligent Performance theme. The lanyards will be a repeating pattern as shown below, the badges will also include the option for magnetic attachment.

The package will be one badge, one lanyard, and one holder for \$10.00 plus shipping.

Send request for ordering to Jim Janes at jrjanes@omscom.com.

From The Editors

The Learning Curve

On March 11th Jerry Seinfeld put 18 cars on the auction block. The total estimated value of the lot was between \$28-\$32 million. 17 of these cars sold for a total of \$22,244,500. Taking top honors was his 1955 Porsche 550 Spyder (pictured above). According to a Forbes article "The 550 was the genesis of pure mid-engine Porsche racing cars, powered by the four-cam Fuhrmann engine." The Spyder pulled in a whopping \$5,355,000. If these were the ones he sold, I'd love to see what's still in his collection.
