## From the Region President

Fox Valley Region Porsche Club of America  
Cell 920-217-9564 Email: [tbenz@onesourcetek.net](mailto:tbenz@onesourcetek.net)

This past month we have had a taste of things to come with the temps in the 70s but also some setbacks with rain and cooler weather at times. Knowing spring is here and summer is getting closer every minute, I have tremendous anticipation for the days ahead. We can all get our cars out and let them feel the warmth of the sun on their hoods and the pavement heating up under their tires.

We have our spring opener coming up quickly here on May 2 at Jim and Linda's in Pipe WI. Gordon Skog has graciously accepted to host this event that has been our "Official start of the Year" event so please RSVP to Gordon as soon as you can. Additional information is in the newsletter.

Chicago Region will be hosting their Road America Drivers Education event again this year at Road America this Memorial Day weekend. I have included a link if you're interested in additional information. <http://pca-chicago.org/downloads/2017/RADE.pdf>

We will be having a general board meeting on May 20 at 1 pm hosted by Jim and Cindy Janes at their home. All members are welcome to attend. Please see the newsletter for information.

Last weekend several Fox Valley members participated in the Howe Community Resource Center's Rally for a Reason. We had a great time, the weather was fantastic and the rally event challenging. Please see the report in this newsletter.

I would like to ask all our members that if you have an interesting story, event or experience that you would like to share, please send it to [beverly.jurkowski@sbcglobal.net](mailto:beverly.jurkowski@sbcglobal.net) by the 20th of each month and we will try to include it in the next edition of the newsletter for all to enjoy.

In closing, thanks to everyone who has hosted and/or planned an event or who has participated in one of our events that make it so much fun. As we always say in our club, "It's not just the cars, it's the people that make this club so great!"

Happy and safe motoring!

## The Editor's Desk

By Bev Jurkowski, [beverly.jurkowski@sbcglobal.net](mailto:beverly.jurkowski@sbcglobal.net)

Before you proceed further into this newsletter, be sure you have RSVP'd for the May 2 Spring Opener at Pipe coming up on May 2. Check out page 6 for the details.

This newsletter is full of information for members and includes new notices of events that have been planned since the last newsletter. Note the three-day driving event at Road America hosted by Chicago Region. We also have a notice about the holiday party – yeah, we hardly have spring and we are already promoting an event in December but since our calendars all fill up with things to do around the holidays, it's important that we get the date out to you now. This is such a fun event and always well planned and executed. The holiday party venue is new for us – the Radisson in Green Bay. Thanks to Dee Stamnes and her committee for stepping up to organize this event. And thanks to Gordon Skog for his role over many years in planning the holiday party.

Details are also included about the annual Fall Chili and Bonfire event hosted by region prez Todd Benz and his navigator Sheila.

We're running the notice and RSVP form for the Central Region's fall tour again. Check it out.

Also, take note of the article I have on page 7 about membership data. Some members, thankfully, have called to my attention that I don't have their current car listed when I display the monthly membership anniversary listing. Or they have more than one Porsche and I only show one. I rely on the accuracy of the data in the national PCA database. Check out my article for more details, take action and help me ensure that I correctly show your information.

Finally, as Todd notes above, I am always interested in hearing about your projects, what you're driving and how long you've owned your Porsche and what attracted you to Porsche ownership. You don't have to be a writer to participate. I will rework your notes into an article. It's what I do and I enjoy it.

## Is your data correct?

### What you see is what I see and use for the listing of anniversaries.

Members, the listing on the previous page showing members, their membership anniversary date and the vehicle they own, is extracted directly from the national PCA database.

The region doesn't maintain membership data. We pull data from the national database to populate the monthly membership anniversary listing in Whaletales and use the national emailer to send out notices to members.

If the data about your car is wrong, please log in to [pca.org](http://pca.org) and update your membership record. If you are not receiving our emails, log in and correct the record.

In recent months I've been advised by several members that their data was wrong as displayed. Subsequently, they logged on to [pca.org](http://pca.org) (a log-in and password is required – PCA can help you with this) and corrected

their membership record.

In this exchange of emails with members, I also learned that PCA's database only shows one vehicle in the data that is displayed. While there are places in your membership record to add more vehicles, when I pull the data, I only get one vehicle.

I've alerted the national membership chair but haven't gotten a response yet as to why I can only see one vehicle per member.

If you want me to display the year and model of all of the Porsches you own, for now you'll have to alert me so I can do that when it's time for your anniversary to be displayed.

Hopefully, national membership folks can remedy this so that all Porsches owned by members that are captured in their membership record can be included in the Excel file that I download.

Thanks for your feedback and for keeping your data current.

This is a one-day concours and Porsche car show, with PCA-certified judging, along with People's choice voting.

### Members challenged at Rally for a Reason; region sponsorship helps raise funds for Howe Community Resource Center

By Todd Benz

With more than 75 participants, The Howe Community Resource Center held their third annual Rally for a Reason event on April 22 at the Greystone Ale House in De Pere, WI. We had several FVR-PCA members participate and presented our \$500 sponsorship check to Valerie George, Development Coordinator, for the event.

The rally was basically a scavenger hunt via car. It was not timed other than we had 3.5 hours from the start of the hunt to when we needed to be back at the Greystone. The geographical area was literally the entire Brown County. We had 16 clues that would lead us throughout the county. With me living in this county for most of my life, I thought this would be easy. Nothing was further from the truth! My co-pilot/son, Justin, and I had six out of the 16 answers and finished with 155 points out of 300.

The winning team had 285 points. Bruce and Sarah Backer joined us with their 2017 911 Targa 4S along with Kevin and Kathy Head with their 991 911. Both of those

teams finished with about the same score as us. We had a great time, the weather was fantastic and the organizers did a great job. Hopefully next year we can persuade more Fox Valley region members to participate with us. It was a worthy cause and a day well spent.

#### **Their mission:**

Howe Community Resource Center's Parenting Program provides support to young families with children from prenatal to kindergarten. Our mission is to make sure that children are safe, healthy and ready for school. We served approximately 75 families throughout Brown County with home visits, classes and playgroups. We help parents to find support, both formal and informal, so they can raise safe, healthy children. All proceeds from this event go toward improving and expanding the services we provide to families.

# Show your Porsche at Show & Glow by the Lake, Aug. 5

The 2017 Milwaukee Concours d’Elegance is the weekend of Aug. 5 and 6 at Veterans

Show and Glow by the Lake is a casual display of all things motorized – cars, trucks and motorcycles at Veteran’s

Park, on Milwaukee’s scenic lakefront. The weekend includes Saturday’s Show & Glow by the Lake, a celebration of all things motorized and open to any vehicle; is a driving tour along lake drive for Sunday Concours vehicles; Saturday evening’s Style & Speed Social, and Sunday’s Concours d’Elegance.

This year’s concours takes a look at technology with a feature of “Speed – Then and Now” which compares the original super cars such as Duesenberg, Stutz and Mercer to the ultimate supercars of today. We are also looking at the early days of alternative power such as electric and steam. But style has not been forgotten with featured classes of Edsel and Rolls-Royce.

Fox Valley Region members are encouraged to show their Porsche at Saturday’s Show & Glow by the Lake. Porsches will be parked together to create an impressive showing of German engineering and design. By showing your Porsche on Saturday, Aug. 5, you’ll receive admission to the judged concours d’Elegance that will follow on Sunday, Aug. 6.

Park on Milwaukee’s lake front. The weekend of events are charitable events to improve the lives of children and families in the greater Milwaukee area.

Show and Glow by the Lake will have approximately 300 entries on display, representing more than 40 regional and local clubs as well as many individual entries.

**Cost:** \$15

Online, advance registration closes at midnight, July 24 – after that \$25.
