President's message

By Todd Benz

Hello to all,

Happy belated Easter to everyone. What a great weekend it was! Sheila and I often count our blessings and this past weekend was even that more special. The weather was great and we got some much needed yard work done, not to mention getting the cars out for a quick spin.

We have our spring opener coming up quickly on Tuesday, May 7 at 5 p.m. at Jim and Linda's Lakeview Supper Club in Pipe, Wis. Once again, Gordon Skog has graciously volunteered to host this year's gathering that has been our traditional "Official Start of the Year" event. Believe me, you don't want to miss the great food and fun, so please RSVP to Gordon as soon as you can. Additional information is in the newsletter.

Also, coming up on Saturday, May 4, we have our first "Cars & Coffee" event at Bergstrom Porsche of the Fox Valley. The event runs from 8 a.m. until 10 a.m. No

RSVPs are required so stop in for a casual social.

Several Fox Valley members participated in the Howe Community Resource Center's Rally for a Reason this past month. We had a great time with another challenging rally. Please see the newsletter for more information.

I ask all our members that if you have an interesting story, event or experience that you would like to share, please send it to beverly.jurkowski@sbcglobal.net by the 20th of each month and we will try to include it in the next edition of the newsletter for all to enjoy.

Looking forward in seeing many of you at our spring event at Jim and Linda's.

Happy and safe motoring,

Todd Benz, President
Fox Valley Region Porsche Club of America

The editor's desk

By Bev Jurkowski, editor

First, a warm welcome to our newest members. We have several. See page 9 for details.

The driving season is here, finally. This issue has announcements about several events that provide an opportunity to enjoy your Porsche in the company of other like-minded drivers. Reminder: May 22 is the deadline to sign up for the tour of Lambeau. See page 10.

We also have post-event reports from the April tech session that was hosted by our good friends at Porsche of the Fox Valley/aka Bergstrom, and the Rally for a Reason. Check out those articles and photos.

Thanks also to those members who responded to my request for information about their passion for Porsche. It's never too late to respond. If you received an

email from me in the past couple of years and haven't responded, do so soon. Or if I missed you, my apologies.

The questions are easy:

- year and model of your Porsche;
- exterior color/interior color,
- how long have you owned it,
- how/where did you find it, and
- what attracts you to Porsche ownership.

That's it. Attach a .jpg of your Porsche. Who knows? It could end up as a cover photo like the one you see in this issue. Thank you Dale! Be sure your cover photo is vertical in format. Turn that camera to capture a vertical shot.

Cars & Coffee at Bergstrom

Let's get our motors running this summer with the 2019 Cars & Coffee events at Bergstrom Premier Porsche of the Fox Valley Dealership.

Porsche of the Fox Valley along with Fox Valley Region Porsche Club of America will be hosting five Cars & Coffee events this summer at Bergstrom Premier Porsche of the Fox Valley Dealership.

Please join us for some coffee and donuts/pastries/bagels and visit with other Porsche Club members and guests. Todd Benz and Bob Dean from the Fox Valley Region will be your hosts along with members of the Bergstrom Team.

The Service and Parts managers will also be available to answer any questions concerning your Porsche care as will the Brand Ambassadors to show off their new and used collection of Porsches for sale.

Location:

Bergstrom Premier Porsche of the Fox Valley
3030 Victory Lane
Appleton, Wis.

Dates:

- Saturday, May 4
- Saturday, June 8
- Saturday, July 13
- Saturday, Aug. 10
- Saturday, Sept. 14

Time

8 a.m.-10 a.m.

There may be some door prizes given out at the events, so please come by and enjoying talking cars, drinking coffee and breathing PORSCHE.

Bergstrom team:

- Dennis Madercic (General Manager),
- Bob Simon (General Sales Manager),
- Nick Halfman (Brand Ambassador),
- James Zingsheim (Brand Ambassador),
- Keith Gilbertson (Service Manager) and
- Andy Potts (Parts Manager).

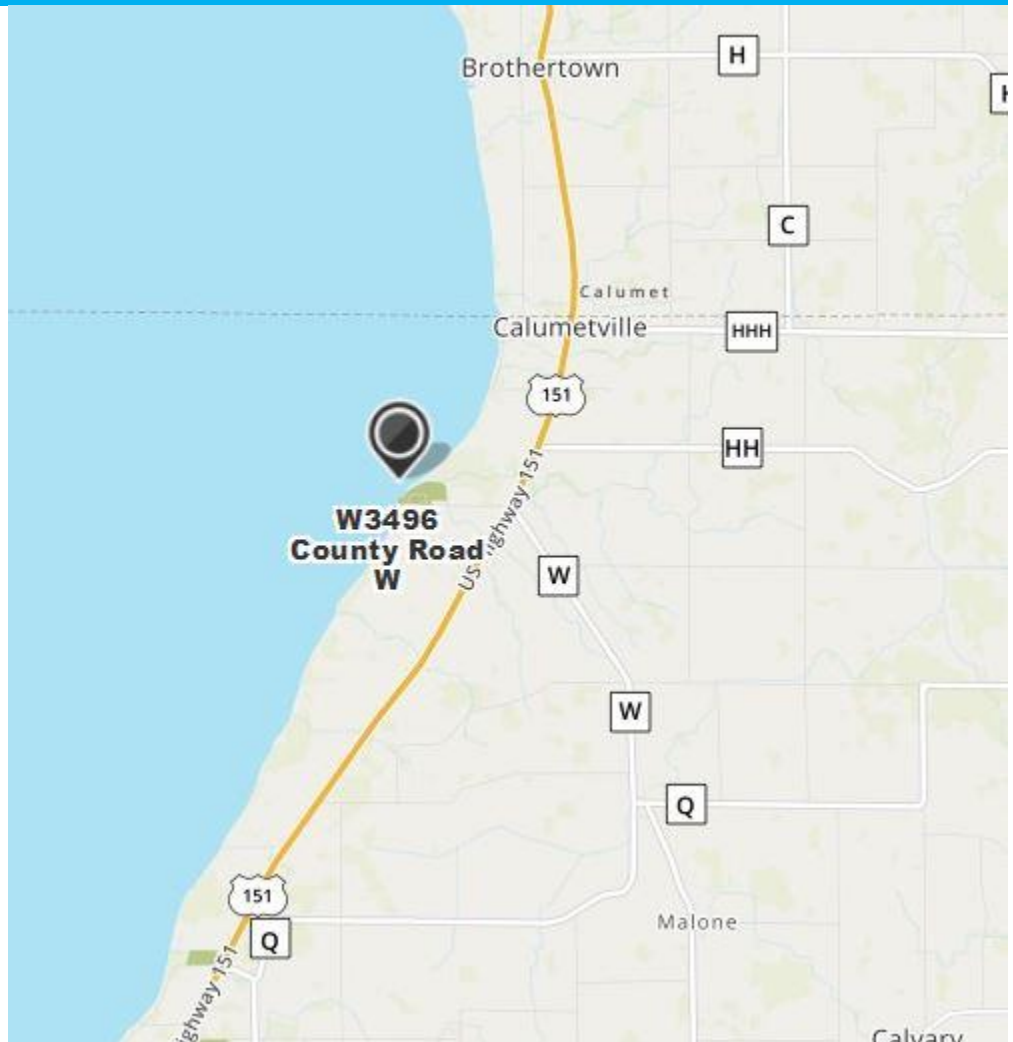

Social events

May 7 – Spring Opener, aka the Pipe Run at Jim and Linda's Lakeview Supper Club, Pipe, Wis. (east side of Lake Winnebago). Located at Calumet Harbor in Pipe, Jim & Linda's Lakeview Supper Club offers dining at its best. With an elegant setting and delightful three course meals, Jim & Linda's Lakeview Supper Club is about 30 feet from the shore of beautiful Lake Winnebago.

Location: W3496 County Road W, Malone, Wis. This has been the region's annual spring event for more than 20 years.

Schedule: Social starts at 5 p.m. Dinner at 7 p.m. Order from the menu.

RSVP by May 5 to Gordon Skog at gord240z@live.com. Include names of attendees. Family and friends welcomed to join. Great door prizes. This is usually the first event of the season to get your Porsche out of storage and drive to an event.

Hosts: Gordon Skog and Debbie Houle.

Social events

July 28 – Zero to 60 Garage Open House & Car Show

Great car show, food, and lots of friends! Bring the family and your coolest car! No entry fee, no judging, no RSVP or registration. This is not a region- or PCA-sponsored event.

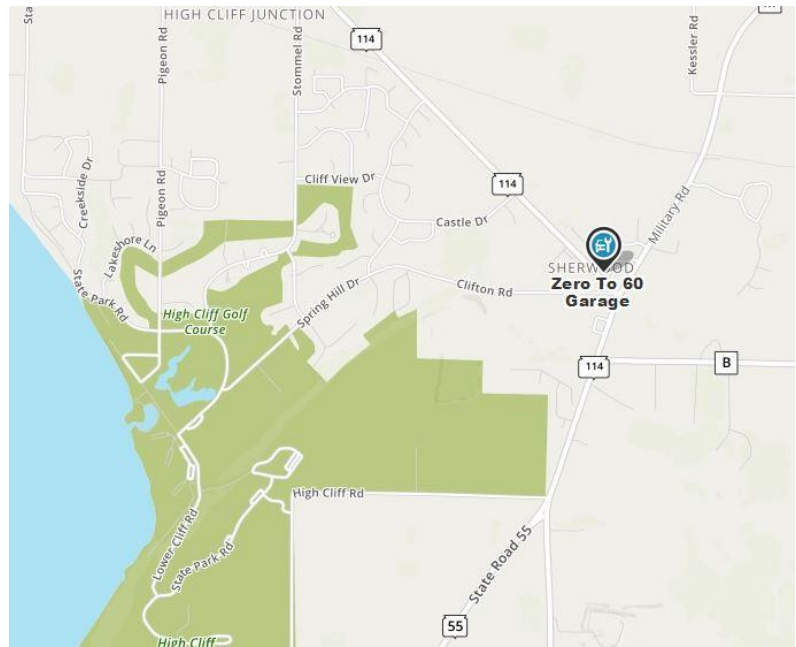

Time: Starts at 10 a.m.

Location: W436 Veterans Ave, Sherwood, Wis.

<https://www.mapquest.com/us/wisconsin/zero-to-60-garage-372422891>

<https://www.davidctreichel.com/>

Erik Scharinger plans to lead a drive from Zero to 60 to Trout Springs Winery for the Potluck Social (see below) so members can attend both events.

July 28 – Potluck Social at Trout Springs Winery, hosted by region members Steve and Andrea DeBaker. New this year: TSW is sponsoring FV region Club Choice award for the classic car that stands out over all others at the event. The winner will receive a complementary bottle of wine from TSW. Attendees will vote on the club classic favorite for the day. Members' cars have to be on site to receive votes.

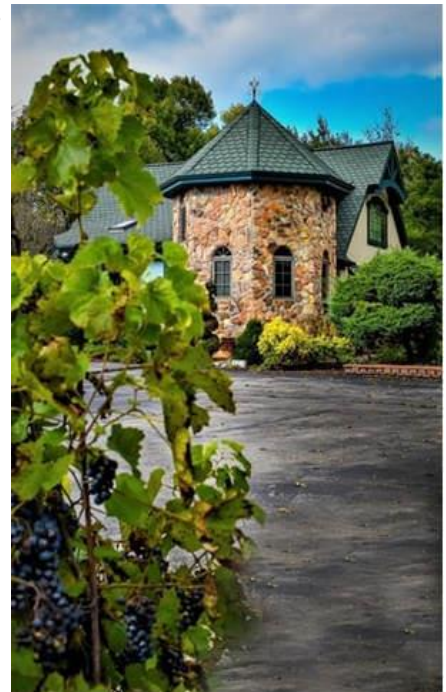

Location: 8150 River Rd., Greenleaf, Wis. Located about 30 minutes south of Green Bay, about 40 minutes east of Appleton, and about 90 minutes north of Milwaukee.

Time: Noon to 5 p.m.

Our hosts will provide burgers, buns, condiments, plates, utensils, cups and napkins. Attendees should bring a dish to complement the entrée. Beer and wine available at a discount. Only non-alcohol drinks can be brought in.

RSVP deadline: July 24, 2019. RSVP to brchrivr@centurytel.net.

Includes names of attendees.

Membership news

Welcome new members

Brian Smith of Stevens Point drives a 1986 911 Carrera coupe and a 1985 911 Turbo Look coupe. The 1986 is silver with black/tan interior and the 1985 is black over black. (photos at right)

"I have had both for about 3 years. At the time, I owned the NAPA Auto Parts store in Marshfield, Wis. A sales rep. from Dallas was visiting and saw the picture of my '77 911 S I owned when I lived in Rochester, N.Y. We got talking and he mentioned he had 4-1/2 911s and was thinking about downsizing. Long, long story short, I ended up with 2-1/2 of them. The half represents additional body parts.

"I owned a 1977 911 'S' from 1999 until 2005. Naturally, sold just before the market took off. I grew up with a 1969 Jaguar E-Type in the family. Wonderful car, but dad was always working on it. It broke down while I drove it in the Homecoming parade and had to be pushed by the football team. I knew a Porsche would be more reliable and had the opportunity in 1999 to buy one while still reasonable. I love the racing history of the brand and the fact that the 911 remained largely unchanged for 30 years," he said.

Brian is interested in meeting other region members in the Stevens Point area.

John Splawski of Green Bay joined the region in April. He drives a 2008 Cayman, with the exterior Meteor Grey. He purchased it recently. "I searched all over and found as a trade in in Winter Park, Florida. I have always loved Porsches since I was a kid and previously had a '83 911SC. The handling and the drive had me hooked," he said.

Dave Schmitz, Oshkosh, notes, "I am excited to re-start my membership. I was a member in the past, with the Nord Stern and Milwaukee regions when I owned two Boxsters. I really didn't take part much and look to change that. See you at the Spring Opener," he said. Dave drives a 2005 Carrera S Cabriolet, Atlas Grey/Black that he has owned for two months. "I was looking for this car for almost a year until I finally found it in Orlando advertised on eBay. My son and I traveled down to pick up the car and spent an amazing 5 days driving it back home to Oshkosh. I may forget this car some day, but I will never forget that trip; it's the journeys that make Porsche ownership so special."

What attracted him to the Porsche brand years ago? "I was hooked when I first saw the Boxster. After driving it, doubly so. Nothing comes close to driving a Porsche. Plus I find them beautiful. My dad passed his car passion down to me. He was into '60s muscle, so I had to branch out a bit to German sports cars." Dave is an engineer.

Members and their Porsches

Dale Kressin writes: "I am a sports car enthusiast absolutely addicted to the Porsche brand even though nearly all brands have very attractive offerings with a variety of models that interest me as well.

"The iconic look of the Porsche models, the driving characteristics, and strong dependability are all forces that power my enthusiasm (or addiction) for Porsche. I have seen Porsche provide near endless support with warranty and service on multiple models and that has cemented my brand loyalty.

"I purchased my 2015 GT3 new with GT Silver Metallic exterior, Black Alcantara Leather, Guards Red stitching interior and seat belts in Guards Red. Full bucket seats, front axle lift, Sport Chrono package with Porsche Track Precision app along with other creature comforts.

"Every drive with this car satisfies my expectations. This GT3 has performance, agility and comfort on par with all other cars at Porsche DE events. It is comfortable for long interstate driving as well as for local commutes.

"Porsche has backed this car with warranty support and service like no other I have ever owned. The engine has 10-year 120,000 mile warranty on or off track.

"In the coming year I will be moving to a new 911 for all the reasons I purchased my 2015 GT3. I always purchase local when these cars are available. I will be driving a white 911, purchased from Bergstrom Porsche of the Fox Valley," he concluded.

Dale Kressin's 2015 GT3

David Deutsch, who lives in the U.P., owns and drives two Porsches. "The newest is a 2009 911S coupe, Guards Red with tan interior, manual, 40k miles. I have owned it for three years.

"The other is a 1999 911 Glacier White w/ charcoal interior. manual, 50k, and have owned for six yrs. Found both on the Internet.

"I drive both regularly even though the season is short up here. Nearest real town is 20 miles away

witch makes for a nice northwoods drive. Nice grocery getter.

"Had a 2000 Boxster for a couple years and a 1972 914.4 that I inherited from my brother. He was a PCA member for 45 years. I drove my brother's Porsches in 1969 or '70 and had the itch ever since. It just took 30 years to have my own," he said.

Is your Porsche ready for this Concours? Why not apply!

The 15th annual Milwaukee Concours d'Elegance on Aug. 4, in Veterans Park, will feature three classes of Porsche, representing the range of Porsche models from the earliest years – the iconic 356 – to the front-engine 924/944/968/928 models and the 911, the definition of Porsche design and engineering.

There is perhaps no better-informed Porsche owner in the Midwest than Hank Bernbaum, Lake Forest, Ill., who will be showing his 2015 918 Spyder Weissach Roadster, which caught the attention of attendees at the 2017 Milwaukee Concours. "Concours co-chairs Carrol and Carl Jensen want to bring back the Spyder as they feel it is the true statement of excellence," he said.

Bernbaum's Porsche ownership started with a 1990 911 C4S which was followed by a 1995 911 C4S and then a 1997 911 Turbo S. "The 1990 964 was so cool with its simple, analog gauges," Bernbaum said. He also acquired a 2018 911 GT2 RS and a 2019 Turbo S Cabriolet "Exclusive," which was offered by Porsche through an allocation – a numbered car from a limited production run of 200.

Bernbaum was attracted to the Milwaukee Concours event because of its charitable outreach. He and his wife

are very engaged in philanthropy that helps children and have a special interest in Autism. One of the charities that receive proceeds from the week-end of Milwaukee Concours events is the Autism Society of SE Wisconsin. The Boys & Girls Clubs of

Greater Milwaukee and Meta House also receive distributions. Since its inception, the event has raised more than \$350,000 for these charities.

"I am impressed with the array of judges that this

event features. Like Carrol and Carl, they are knowledgeable and engaging."

Have a Porsche that fits the concours eligibility requirements in one of the three classes noted above? Get in touch with the concours chairs at chairman@milwaukeeconcours.com.

Show your Porsche in the Show & Glow Paddock

The Show & Glow Paddock is a casual display of all things motorized – cars, trucks and motorcycles at Veteran's Park on Milwaukee's lake front. It is part of the Milwaukee Concours d'Elegance weekend of events that improve the lives of children and families in the greater Milwaukee area.

The 2019 Show & Glow Paddock will be held on Sunday, Aug. 4, in Veterans Park, Milwaukee, in conjunction with the Concours d'Elegance exhibition, thus creating for the public a spectacular display of hundreds of vehicles. The Show & Glow Paddock area on the show field will enhance the concours vehicles.

The Show & Glow Paddock will have approximately 300 entries on display, representing more than 40 regional and local clubs as well as individual entries.

See link below to register your vehicle online or to download a paper form.

What's included:

- Admission for your vehicle to the Show & Glow Paddock on the Milwaukee Concours d'Elegance grounds
- Admission for two people to the Milwaukee Concours d'Elegance
- Eligibility for a Show & Glow Paddock class award
- Full color program
- Eligible to register for the Saturday Motor Tour (limited spots available – register early)

The final number of classes will be determined by registration. Class awards will be presented. There will be dozens of Porsches in the Paddock. Join the group.

Don't miss the fun and excitement of DE at Road America

Driver Education at Road America Thursday, Aug. 15

By Jeff Cowie, DE committee/Milwaukee region

We have filled this great event for the last two years, and registrations are rising daily at a faster rate prior to any year. We are half full!

Seats remaining:

Run Group 1 Novice - 21 left

Run Group 2 Intermediate - 29 left

Run Group 3 Advanced - 26 left

If you don't want to miss out on this fun, exciting, and safe day on one of the greatest road circuits in North America, register today at www.MotorSportReg.com.

You will need an SA SNELL approved helmet that is date-coded 2010 or more recent. (No DOT/Motorcycle helmets allowed).

New this year as mandated by PCA National: Any run group driver who has a 4-, 5-, or 6-point harness MUST have a head and neck restraint system (ie: HANS Device). If the passenger seat also has a harness, any passenger (instructors included) must have one, too.

Registration is now open at:

<https://www.motorsportreg.com/events/pca-milwaukee-de-2019-road-america-168094>

Tech inspection/Emergency contact forms:

<http://www.porschepark.org/events/de.php>

It's time to get your car into a dealership or motor-sport shop to have the technical inspection performed. Mandatory Tech Form can be downloaded (see link below) from the MotorsportReg site or Milwaukee region website, www.PorschePark.org.

Also complete the Emergency Contact Form, found at either site.

Questions, please contact MilwaukeeDE@aol.com

Fox Valley region members welcome to participate or come out and watch the action.

News from Porsche: First-quarter sales decline

In the first quarter of 2019, Porsche AG delivered 55,700 vehicles worldwide; this corresponds to a decrease of 12 percent compared with the same period in the previous year. The Cayenne recorded growth of 35 percent and was delivered 18,310 times. The new model has been available in all markets since this year. The greatest demand continues to be for the Macan, which was delivered 19,795 times.

"2019 has started out challenging for us and for the entire automotive industry," says Detlev von Platen, Member of the Executive Board for Sales and Marketing at Porsche AG. "The changeover to the new WLTP test cycle and gasoline particulate filters has continued to occupy us in the first months of the year. In addition, the unusually strong start to 2018 meant that a comparatively weaker first quarter was to be expected." Another factor is the generation change for the top-selling Macan and the iconic 911 sports car. The new 911 was presented in Los Angeles at the end of November and is being gradually launched in the individual markets.

Advertiser profile: Road Runner Auto Transport

Welcome to our newest advertiser, Road Runner Auto Transport. RoadRunner Auto Transport is a national car-shipping company that provides direct door-to-door service to and from every state in the country.

"Our car shipping experts arrange and transport thousands of vehicles each month with care from start to finish," said Matthew Osborn.

"We have been in business for 7 years. RoadRunner sets itself apart from our competitors because we don't require an upfront deposit as many auto shippers do. We also offer fully insured transportation from the time a customer's vehicle is picked up until it is safely delivered and we have extended office hours until 9 p.m. in case customers have questions," he said.

Here's what one customer said about Road Runner: "Unbelievable speedy pick-up and delivery from a central Florida location to my driveway in Kansas that involved a non-running 1958 Edsel that had no operating brakes, and they still did not complain. I will recommend them to anyone and will also use them on my future moves; hopefully it will involve running cars with brakes." Bruce - Kansas City, Kan.

Good growth in the USA

In the USA, Porsche achieved eight percent growth in the first quarter. With 15,024 deliveries, the market ranked in second place behind China. In China, deliveries fell by ten percent to 16,890 units due to the weakening overall market and customer reticence in expectation of the announced lower value added tax rate as from April. Deliveries in Europe were also lower than the previous year.

April tech session report

About 20-25 region members attended the April tech session hosted by Porsche of the Fox Valley. "We took a tour of the shop area and got to see a 2018 911 GTS Cab, a 2016 Cayman GT4, a new Cayenne S, a 2018 GT3, a new 2019 718 Cayman and a 2019 911," said Shaun Stamnes, region vice president. Topics covered were proper winterization which led into the main topic of bringing your baby out of hibernation. Tire management in cooler weather, checking for rodent damage, proper gasolines and then an open Q & A session which was very nice. Pizza and water were provided by Bergstrom.

"Thanks to Keith Gilbertson, Service Manager, who led the tour and provided the info for the evening's topics," Shaun said.

We rallied for a reason

By Todd Benz, region president

With more than 220 participants plus another 80 attendees for dinner, Howe Community Resource Center held its 5th annual Rally for a Reason event on April 13 at the Badger State Brewery in Green Bay. We had two teams from the FVR-PCA participate and presented our \$500 sponsorship check to Valerie George, Development Coordinator, for the event.

This was the third year in a row that our Porsche Club provided a sponsorship. The rally was basically a scavenger hunt via car. It was not timed other than we had three hours from the start of the hunt to when we needed to be back at Badger State Brewery. The geographical area was mostly in and around the Green Bay area. We had 16 clues that would lead us throughout the area.

Check presentation (left to right): Bob and Donna Stewart, Valerie George, Todd and Justin Benz. The region was a sponsor at the \$500 level.

My son, Justin, was again my co-pilot this year and we did much better. With 190 points out of 300 we got 10 of the 16 questions correct. The winning team had 285 points. We had a great time; the weather was fantastic, and the organizers did a great job. Hopefully next year we can persuade more Fox Valley Region members to participate with us. It was a worthy cause and a day well spent. To find out more about The Howe Community Resource Center, visit <http://www.howecommunityresourcecenter.org/home.html>.

Mission:

Howe Community Resource Center's Parenting Program provides support to young families with children from prenatal to kindergarten. Our mission is to make sure that children are safe, healthy and ready for school. We served approximately 75 families throughout Brown County with home visits, classes and play-groups. We help parents to find support, both formal and informal, so they can raise safe, healthy children. All proceeds from this event go toward improving and expanding the services we provide to families.

PCA Fall Social at the Benz's

We invite all Fox Valley Region PCA members and their families for a Chili and Bonfire social on Saturday, Sept. 14, from 4 p.m. to ??

FVR-PCA Board meeting will precede the social gathering and will convene promptly at 2 p.m.

We provide the chili, fixings, snacks, Smores, water and coffee. You provide your own soda or adult beverage.

Our bonfire pit is located a short walk through the woods on our property so we ask that each member also bring chairs to sit next to the fire and proper footwear for walking to and from the fire pit area.

All members are encouraged to bring their Porsches, weather permitting. We have a long driveway where we can line up the cars along both sides of the driveway and hopefully get a great picture for the newsletter.

In the event of poor weather conditions, we will gather in our bar/game area or garage. Please RSVP to tbenz@onesourcetechnet.net no later than Sept. 11.
