President's message

It's the time of year where the skies are grayer, the temperatures cooler and the days shorter - a sure sign that winter is coming. I hope everyone has enjoyed this year with all the different activities we have had with our fellow PCA enthusiasts. With our son off to college, it's been a little quieter around here, although our new puppy, Maui, is keeping us on our toes. Our October has certainly been busy. We have been able to attend several Badgers games and spend time with Justin when we go to Madison. I was fortunate enough to spend 6 days in southwest Florida playing golf with some great friends. Fall is my favorite time of the year, but it was also nice being where it was warm and sunny, although a bit humid.

We finished September with a two-night, three-day driving tour to Silver City, Mich., in the Upper Peninsula of Michigan. We had 10 cars with 19 people. It was a little brisk, but the weekend was fantastic. The month of October started out a bit wet, but it did not dampen the spirits of our club as we started out the month with a wonderful Door County Fall driving tour hosted by Dennis Kepchar. I was not able to attend due to a family wedding, but I heard it was another great tour that went very well. Also, Bergstrom had a reveal of the all new 992 911 on Oct. 19.

I would like to remind everyone of our upcoming board member elections. If there is any interest in participating on the board as an elected board member,

please feel free to contact Mary Haen. In addition, please take the time to vote when the official ballot comes out. I also welcome **Steve Groddy** as our new dealer liaison. If you are interested in learning more about getting more involved as an appointed chair or co-chair of our different positions, please feel free to call or email me.

To kick off November, we will be having a social at Mackinaws Restaurant on Nov. 5 starting at 5 p.m. with dinner at 6:30 p.m. Please RSVP to Jim and Mary Haen at mehaen@sbcglobal.net. Also, mark your calendars and RSVP for our annual Christmas Party on Nov. 30. We have a movie night on Nov. 18, too. Details for all of our November activities can be found in this newsletter.

I would like to ask all our members that if you have an interesting event or experience that you would like to share, please send it to whaletalesFRV@gmail.com by the 20th of each month and we will try to include it in the next edition of the newsletter for all to enjoy.

In closing, I just want to say thanks to everyone who has hosted an event or who has participated in one of our events that make it so much fun. As we always say in our club, "It's not just the cars, it's the people that make this club so great!"

Happy and safe motoring,

Did you enjoy the cover of this issue? I did. Thanks to Todd Whitenack for submitting several great photos from the Sunrise to Sunset tour. Shaun Stamnes also submitted images. I am grateful for all submissions. See page 11 for a report on that event including members' comments.

If you participated in the new 911 reveal at Bergstrom and took photos, send them. If you did the Door County tour, send photos

and tell me what you enjoyed most about it.

Thanks also to Randy Johnson who submitted a vertically oriented photo for use as Photo of the Month on the back cover. You can see your Porsche there if you send me a .jpg. Just remember to turn the camera so the shot is vertical.

Academy Award-winners

Matt Damon and Christian Bale star in FORD v FERRARI, based on the remarkable true story of the visionary American car designer Carroll Shelby (Damon) and the fearless British-born driver Ken Miles (Bale), who together battled corporate interference, the laws of physics, and their own personal demons to build a revolutionary race car for Ford Motor Company and take on the dominating race cars of Enzo Ferrari at the 24 Hours of Le Mans in France in 1966.

Connor Ruberry drives a 2020 Porsche Carrera S (992) with Gentian blue exterior and black interior. "I took delivery of the car on Monday, Sept. 23, 2019.

"Ever since I was a little boy, I've been obsessed with cars (especially, high-performance sports cars); so I've always dreamed of one day owning one (hopefully several!) of my own. I came across the car on Autotrader, after I performed a search for 911's within 500 miles of Escanaba, MI. As I scrolled through the results, this particular car came up and was featured in the showroom at Napleton Westmont Porsche on the west side of Chicago. The deep blue exterior paired with the gold wheels, really caught my eye, and the rest as they say, was history. After some back and forth with the salesman, we finally had a deal. Last Sunday (September 22nd), I drove down to the Napleton/Westmont area with my mom, spent the night nearby, and took delivery of the car first thing Monday morning.

"A couple of things attracted me to Porsche ownership. The first being the reliability of the vehicles that Porsche manufactures; I don't think many other luxury car manufacturers can say the same. Another thing that has always attracted me to Porsche is the timeless look and design of the 911. I just love the lines of the car; the whole shape just flows together, no matter which angle you look at it. It's beautiful! I would also

be remiss if I didn't mention that I also respect Porsche in that they don't try (or need) to recreate the wheel whenever they produce a new model. Instead, they keep refining and striving for perfection, and their cars just keep getting better and better because of it.

"This is my very first Porsche. So, if anyone has any advice, etc., I'm all ears.

"I look forward to meeting everyone in person, sometime," he said.

Transferred: Brian Smith has transferred to the Central Indiana region.

Tyler Hoffman, of De Pere drives a 2015 Boxster GTS Racing Yellow with black and grey interior. He has owned it for 2.5 years.

"I knew I wanted a Manual GTS with Porsche Torque Vectoring... which was harder to find than expected but worth the wait. This replaced my 2008 (997) 911 Carrera S.

"I have always loved a great driver's car with the right amount of visceral feedback to make every drive an experience to remember. Having started with BMW M cars, I quickly fell in love with Porsche's ability to create a lighter, tighter, more agile ultimate driving machine," he said.

Ammermüller wins 10th race and title in the Mobil 1 Supercup

A perfect end to the Porsche Mobil 1 Supercup season for Michael Ammermüller: On Sunday, Oct. 27, in Mexico City, the German won the tenth and final race. "That was an incredible weekend with two pole positions, two wins and, of course, the title. I lost the start against Güven, but I was ultimately faster than him and managed to push through," said Ammermüller (BWT Lechner Racing). Behind his 485 hp Porsche 911 GT3 Cup, Ayhancan Güven (TR/martinet by ALMÉRAS) and Porsche-Junior Jaxon Evans (NZ/Fach Auto Tech) crossed the finish line. Big celebrations for Roar Lindland (N/pierre martinet by ALMÉRAS) in the ProAm class: Third place in the race was enough for the Norwegian to take home the title in his class.

After the start, Güven initially led the field after the 21-year-old squeezed past pole-sitter Ammermüller at the first corner. However, the newly-crowned champion underlined why he is the measure of all things this year. Corner by corner, Ammermüller reeled in his opponent to finally sweep past him in the fourth lap. The 33-year-old then pulled clear of his pursuers and, after 16 laps, took the flag in first place for the fourth time this season. The new rookie champion Güven concluded his maiden season in the international one-make cup with his fifth podium result. "Michael Ammermüller was simply faster than me. Second place overall in my debut season is a super result," said Güven.

Porsches follow the sun on weekend tour

Region members Jim and Cindy Janes led a Sunrise to Sunset tour at the end of September.

Here's what some participants had to say about the tour: "We enjoy seeing new places, new experiences, and having fun," said Todd Whitenack, who was accompanied by his wife Sandy. "Oh, I also very much like driving. The Sunrise to Sunset tour was the perfect mix of all these things. We had a great time. Side note, this is was the first overnight trip we have ever taken in our 2000 Boxster. Only day trips so far," he said.

Jim Mollon writes: "Jim did an outstanding job at putting the venue together. Thanks again Jim for all your efforts. Highlight of the tour for Linda and me was trying to keep up with Jim and Cindy in their 911. I was the first car be-

hind Jim for the two days of touring and have to say Jim likes putting his car through the paces as I do so bring on the curves. To me this is what it's all about belonging to the club driving your Porsche with the other members and being proud of your ride and the people who share the same feeling," he said.
