TREFFEN AT THE GREENBRIER VOLUNTEERS—These volunteers made the Treffen experience for Todd and Sheila Benz memorable. Read Todd's account on pages 10-12.

ABOUT THE COVER: John Kline: "I took the 991 for a spin up M-26 in the Keweenaw Peninsula and took some pictures at Great Sand Bay. It was late in the afternoon with the sun low in the sky. No one was around for perhaps its last drive of the year. Kind of sad, but what a beautiful day on one of the best roads in the country."

President's message: It's about time to close this year

Can you believe we are already at the end of 2020? The way this year has gone I'm sure many of you feel like I do that it's about time. Hopefully 2021 will turn out better.

Reflecting on this year, it definitely wasn't what I expected coming in to the President's role for the region. We did

have a few nice events with the New Member's dinner in February and then the Spring Opener in June. Steve and Andrea DeBaker once again opened their winery for members to enjoy a delicious meal and nice, relaxed visiting. And who can forget the region cookout at Road America again this year? Yes we didn't get a lot of chances to meet as a group but we did still get some time to gather and enjoy each other's company.

Unfortunately with COVID we were unable to enjoy the year-end party and announce our 2021 elected officers so I would like to introduce them now.

Stepping into the Vice-President's role is Todd White-nack. Filling the Treasurer position is Erik Scharinger. Mary Haen is again reprising her role as Secretary and I

will again be President for 2021. A sincere thank you to Todd and Erik for stepping into these roles. You will do great. And Mary, thank you for once again filling the secretary role. You rock!

Many thanks to outgoing treasurer Jim Janes who served in that role for many years and to Todd Benz, vice president and past president in 2020 for his time on the board.

The Member of the Year and Enthusiast of the Year are.....(drum roll).....going to be announced in the January newsletter. (I can hear the collective groans.) As these are more of a surprise announcement, I want to keep the surprise and present the winners with their plaques so stay tuned for the revealing announcement next month.

That's about it for this month. May everyone stay safe and have a happy holiday season.

Hope to see everyone soon in person in 2021.

Shaun Stamnes, President
Fox Valley Region Porsche Club of America

Editor's note: Closing a year no one expected

As I write this, Covid infections are continuing at a crazy and scary pace in Wisconsin. I wish that by simply turning the calendar to 2021 on Jan. 1 we could start a new year with multiple opportunities to enjoy our Porsches. Maybe we can with the right planning for events outdoors and proper precautions. If you have an idea for such an opportunity, contact any board member. It's never too early to start filling the region calendar with activities.

Speaking of board members, I have updated the leadership page in this issue to reflect our new vice president and treasurer. The issue also contains news from Porsche, an accounting of the Porsches that FV members own and a listing of the variety of silver colors Porsche has used over the years. It's an amazing list. If you own such a silver beauty, send me a photo

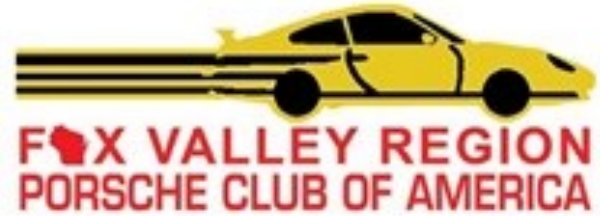

with the model, year and the official color. Of special note is a report on Treffen at the Greenbrier. It gives us a preview of what Treffen at the American Club that we will host in October 2021 should look like, featuring the beauty of Wisconsin and our amazing roads.

Best wishes to you and your family and friends for a peaceful and safe holiday season.

North American Porsche GT team seals record book after 7 seasons

Source: Porsche Newsroom US

Nov. 17, 2020 — At the 12-hour race in Florida, the Porsche GT Team and its long-standing partner Core Autosport once again made a strong impression: At a spectacular final round of the season, the two Porsche 911 RSRs took the flag in first and second place. The emotional and extremely successful farewell from the fiercely competitive GTLM class contested by numerous manufacturers in North America concludes a seven-year program that yielded an outstanding record: Seven title wins in the IMSA series, five championships in the North American Endurance Cup, 21 race wins and 56 podium results went to Porsche.

When the American Le Mans Series and the Grand-Am racing series merged to become the Tudor United SportsCar Championship at the beginning of 2014, Porsche makes a decision: This new sports car scene would become the playing field for a new works squad and two Porsche 911 GT3 RSR.

Nothing ordinary about Porsche silvers

Porsche owners are usually obsessive about the color of their car. It's not just "silver" but it is one of these silvers that Porsche painted onto its various models. The numbers in parentheses indicate the years that this color was used.

Lucky you if you have a Porsche in one of the more distinctive silvers that were only available for one model year, noted by * after the year

If you own one of these, let's see it. Send a photo to the editor.

Author - TTTNIS

Sports Classic grey earned five paint cans on Rennbow's site for its rarity. The paint-can scale runs from 1 to 5 with 5 representing the most rare of colors. This color was available on the 911 for the years 2009-2011 and 2018) and the Boxster (2016). The color is a throw-back to Dolphin grey that was found on the 356 model in 1964 and 1965, the 911 in 1964, 1965, 2011, and the 912 in 1965.

Photo magic

Milwaukee region member Tom Ingrassia took this photo of his white Cayman 981 GTS. Tom took eight shots with exposures from 20-30 seconds using a light wand that is programmable. The individual shots were then layered in Photoshop to blend the best of each exposure.

Looking back at 2020

When the calendar turned to 2020 the region board was planning activities to celebrate PCA Fox Valley's 30th anniversary. Before Covid-19 became part of our common vocabulary, we in fact did gather a few times. In February we enjoyed meeting members who live in the Upper Peninsula at a coffee event. We also held our traditional new member meet and greet night. Then we paused activities as we isolated as a protective measure. In July, Andrea and Steve DeBaker hosted the annual potluck at Trout Springs Winery. Our last event of the season was in early September as we picnicked at Road America. Here's hoping we can gather more often in 2021.

GATHERING AT BABYCAKES, MARQUETTE, MICH. Region members left to right Kathryn Savu, Dee Starnes, Shaun Starnes, David Savu, Dwight Johnson and Chuck Swanson enjoyed a visit Feb. 15.

NEW MEMBER NIGHT AT GRAYSTONE FEB. 4

Thirty-five region members gathered for a night of good food and conversation and a presentation by John McHugh of Kwik Trip.

Treffen experience recounted

By Todd Benz

Terrific driving tours, an outstanding host hotel, enforced social distancing for personal safety and welcoming volunteers. All that and more sums up our experience at Treffen at the Greenbrier.

Once we found out that our area had been chosen for the 2021 Fall Treffen, Sheila and I decided to attend the Treffen at the Greenbrier in White Sulphur Springs, West Va., so we could learn more about this event. We left on Sept. 12 in our 2016 911 4S with an overnight stop in Erlanger, Ky. The next day we continued our journey on Hwy 60 east through picturesque and twisty roads unlike anything I have ever been on for hours and hours. The day was beautiful, sunny and with hardly another car on the road; I was grinning from ear to ear.

We arrived at the Greenbrier shortly after 3 p.m. and of course, had to get the car

washed before we checked into the hotel. We were greeted at the security gate with staff checking our temperature and verifying that we had not been exposed to the Covid-19 virus. Once complete, we drove up to the grand view of the Greenbrier. The check-in was smooth and soon we were in our charming vintage room.

A learning experience

Our plan for this trip was to arrive a few days early to get a sense of what was required the week of Treffen. We met several of the local and national PCA volunteers and staff on Tuesday and quickly jumped in to help with packing the Treffen Goodie Bags.

Wednesday was the official day of registration where guests were able to check in the hotel and receive their Goodie Bags. Sheila and I were able to help with the process and get a feel for what to expect in 2021. The registration was followed by a Welcome Reception on the beautiful patio of the main building. Masks were required through-

CIRCLE OF PORSCHEs AT THE GREENBRIER

out the hotel except while eating or drinking. I was impressed how everyone took this seriously and complied with the requirement.

Driving tours

Thursday was the first day of the driving tours. We selected the Back of the Dragon which took us

What's a Treffen?

Treffen translates "to meet." For PCA members, Treffens are like mini-Parades minus the competitive events such as concours, autocross and rallies.

Treffens occur over three days and in recent years have been held once in the spring and again in the fall, usually geographically distant to enable attendees the opportunity to participate without having to drive across the country.

Treffen attendees enjoy two days of driving tours as well as a day to explore on their own. Lunch stops are planned as part of the follow-the-leader tours and the evenings include a dinner or social gathering.

Fox Valley and Milwaukee regions will host Treffen at the American Club in October 2021. A committee with members from both regions has been meeting for several months to plan the tours and activities. We know our guests will love their visit. See page 13 for details on how you can volunteer.

Treffen experience continued

through many twisty scenic roads in the Appalachian Mountains. We left the resort at 8 a.m. and traveled on the interstate for a few miles until we exited to the state highways for the more scenic roads.

With a quick stop at the Back of the Dragon visitor Center in Tazewell for doughnuts and coffee, we were on our

TODD AND SHEILA BENZ AT A STATE PARK IN VIRGINIA

way. We traveled the famed Virginia Hwy 16 which connects the two beautiful small towns of Tazewell and Marion, featuring tree-lined roads with incredible switchbacks. We did have some rain and cool weather but that did not dampen the ride. We drove for what felt like hours with a final stop for an excellent lunch at Wolf's BBQ in Marion. After lunch, we headed back to the resort to get ready for dinner at the hotel that evening. We had a BBQ buffet style dinner where we were served a variety of fine foods and dessert. The hotel and volunteers did an incredible job providing a space where we could socially distance but still enjoy the dinner.

On Friday, our tour of the Allegheny

Highlands and town of Lexington left around 9 a.m. and we headed to the historic resort of Homestead.

Scenic roads

We traveled the scenic roads and valleys, traversing the Allegheny Highlands, into the southern section of the iconic Shenandoah Valley with sun-

ny skies and warmer temperatures. When we arrived at the Homestead resort, we were quickly amazed of the size and beauty of this historic place. After a quick stop and break, we drove off to the Town of Lexington, Va., where we had an outstand-

man invited us in to see the house and visit with the family. Sheila was thrilled to be able to see the old homestead and relive some childhood memories. We left after several hours to go back to the Greenbrier where we had our last sit-down dinner with the whole group.

I must say I was impressed with the event as a whole, especially with how well things were done to keep everyone safe. The volunteers were exceptional, the hotel incredible and was well worth the cost. I am excited for our two regions to showcase what we have in Wisconsin and know people will enjoy there time here. I look forward to seeing what we will do with the event and the volunteers who will participate.

ing private buffet lunch on the veranda of a historic hotel known as the Robert E. Lee hotel. After lunch, we strolled the quaint downtown street before heading back to the hotel for a casual social happy hour.

Tour on your own

Saturday was the Navigator's Day Off so we decided to head to Hixburg, Va., where Sheila's mother's family has lived since the 1800s. When we drove up, we saw a man getting into a truck in front of the old homestead and he turned out to be Sheila's cousin. The

Treffen volunteers needed to achieve success

By Todd Benz, volunteer recruitment for Treffen
tbenz@onesourcetech.net

As you may know, the Milwaukee and Fox Valley PCA regions will be hosting the 2021 PCA Fall Treffen at The American Club in Kohler, Wis., from Oct. 13-17, 2021. This is a tremendous honor and privilege to showcase what our state has to offer to the rest of PCA.

We have formed a Treffen Planning team, made up of members of both regions that will work with the PCA National Treffen staff to help plan the event. Jim Janes is the Region Treffen Chair and I am one of two volunteer recruiters. This event will require many volunteers to create a five-star experience. A minimum of approximately 50-60 volunteers will be needed from our combined two regions. Many of you have already contacted Shaun Stammes or me with an offer to help and we have documented those inquiries.

Here are some of the areas where we will need volunteers.

Time slots will be created based on the numbers of volunteers.

- Registration (Wednesday)
- Information Desk (Wednesday-Saturday)
- Tour Departure Area (TBD)
- Tour Participation / Lead-Mid-Sweeps (Two days TBD)

If you think you would like to volunteer in some capacity and have not contacted anyone, please reach out to me and I can provide additional information. I know October 2021 seems like a long way off, but it will go by fast and we want you to be part of this exciting event.

FOR SALE: TechArt Formula 1 20-in wheels, tires and spacers —price reduced \$2,300

No scratches or rash, tires 2000 miles on Hankook tires from Tire Rack, spacers for rear wheels included. These were dealer installed on my 2006 Cayman S for \$10k. Retail about \$6,500. They are at Auto Clinic in Neenah. Sold the car. More photos available. They will fit other Porsches; not sure which ones. \$2,300 wheels, tires and spacers. Bob Hawley 920-252-2544. Pick up only.

FOR SALE: Porsche model kits

27 Porsche models that are 20-30 years old brand new in boxes and not assembled . Most are collector items and I would like to sell the whole lot for \$650 or best offer. I prefer to sell as a lot and not individually.
