President's message: Exciting year unfolding, finally

Happy Summer!
Well we are certainly off to the races this year! In June we had a very nice Taycan event at Bergstrom Premier Motorcars followed up by a detailing session at a private garage in Greenville. The private collection of vintage motorcycles and muscle cars was something to behold.

On June 12 we had a Door County driving tour hosted by Bob Hawley. It was a beautiful day and Door County was really busy. At one point we had 30 cars in the group as we drove the back roads of Door County. We had a nice stop at Craig and Robin Harvey's place where we enjoyed visiting with old and new friends before continuing on to Stone's Throw Winery for a nice snack and more visiting.

Several members also met up at the Auto Gallery's Cars and Guitar's Car Show in Green Bay where another new member was recruited.

Congratulations go out to long time PCA and FVR members Dan and Barb Pankratz. If you have not yet opened your June issue of Panorama there is a feature article in there of Dan and Barb's 1967 912. Check it out!

Also, congratulations should go out to the entire membership of the region. In early June the Fox Valley Region officially became a Class III region with a primary membership of over 200 members. Our total membership, (primary and co-members), now stands at 342. This is the highest number of members in the region's history. In

June alone we gained four new members, one Test Drive Member and had another member transfer back into the region. Thank you to all members who make this region so special and welcoming.

Coming up in July there are a few events planned. July 11-17 is Parade in French Lick. If you are planning on attending we hope to see you there. July 23 is the Milwaukee Region DE event at Road America. If you have not yet participated in a DE event this may be a good time to start. (I have it on good authority that they are very addictive.....) If DE isn't your thing, you can do a Sunset Cruise at Road America (after the DE people are done) and enjoy a dinner there as well.

Then on July 25 will be the Zero to 60 Garage Car Show in Sherwood. Although not a region event, it is still a fun time and a great starting point for the day before heading over to the Trout Springs Winery for the Region's annual Pot Luck and Skittles Championship. The Pot Luck was held last year but the Skittles Championship was postponed so come and see if you can beat the champs. Closing out the month is the first Taste and Explore tours. These are non-PCA and non-FVR driving events that showcase Wisconsin's rich agricultural history and sound very interesting.

Details about all of the events noted above can be found in this newsletter.

Until next month. Enjoy the nice weather.

Fox Valley Region - Porsche Club of America

Editor's note: Pictures tell the story of region activities

Thanks to all of the region members who take photos at our events and then send them to me.

This issue has photos from the Door County tour as well as the Cars & Guitars show.

We also have photos from members and their story of Porsche ownership. I am grateful these members responded when I reached out.

I am looking forward to pictures from the Potluck picnic at Trout Springs and the visit to Zero to 60 garage, both events on July 25.

Have a great month.

Door county tourists enjoy great roads and weather

By **Todd Whitenack**

Region members in 25 cars drove 68 miles on the Door County Tour on June 12, led by Robert Hawley. The tour started in Dykesville, heading to Algoma; then to Cave Point Park with a stop at Craig Harvey's garage. The tour ended at Stones Throw Winery. The drive along the lake side of the Door County peninsula was as spectacular as ever, and the weather was perfect — not too hot, not too cold. Even with 25 cars we were able to keep the group together and drive at a good pace on some really nice twisty roads. Craig Harvey was gracious enough to have the group over for a look at his awesome garage and a few of his toys including a way cool VW bus. After that we all drove over to Stone's Throw Winery for some snacks and refreshments before ending the day. This is what the club is about: great cars, driving on great roads, and having fun with great people. Thanks everyone for making this a awesome event.

Welcome to our new members

Stephen and Sharon Bejvan, Hortonville
2019 718 Boxster GTS

Steve Minor, DePere, joined PCA and the region with his 2013 911 Carrera S, Agate Gray over black. He has owned it a year. "I was looking on the 'net for an R8 or Lambo and noticed it. With only 8800 miles and being a one owner car, it really sparked my interest.

"The engineering and reliability of the brand appeals to me. When spending that kind of money you really don't want to have check engine lights on and shop repairs all the time. I wanted to jump in and drive it without having to worry about it having issues.," Steve concluded.

Brogan Schein, Neenah
1974 911S Targa

Jason Kobishop, Appleton
2021 Taycan 4S

Ken Bixby, Appleton, joined PCA as a test-drive member. "I am looking for a 1997 -2003 Boxster or Boxster S with IMS, RMS, clutch, air/oil separator, and coolant reservoir all replaced and a top with glass window. And if possible, a hard top.

His color preferences are: Guards Red, white, blue or silver exterior with champagne or beige leather interior.

"It will be my first. I was drawn to Porsche sitting at a high school volleyball match that my wife was coaching. I drove to Oconto falls Wis., on a beautiful fall day and when I pulled into the high school, there sat a later model 911. I think it was an '89. It was red. Well, I ended up sitting in the bleachers and talking with the owner. I did not know his daughter played on my wife's team. We spent the whole tournament talking about why Porsche is the ultimate sports car. His name is Dave Treichel and he is the owner of Zero to 60. Little did I know he is an expert. We have become friends. Then in 2016 I worked for a gentleman -- Randall Johnson -- who owned multiple Porsches.

Steve Minor drives this 2013 911 CS

He invited me to Road America to drive his 944 for the Memorial Day weekend. Little did I know Dave and Randy knew each other. Before the weekend Randy had me take the 944 out to Dave's shop to get inspected. The brakes needed work. Dave ended up keeping the 944 and lent me his Boxster which I drove for the week. And that was it I was hooked.

"I am a hospice nurse. I contracted COVID in October 2020 from a patient and I got really sick. It took me 5 months to recover. I turn 50 this year and I thought we only get one chance at what this world has to offer. I want my dream to become a reality because I never know when I will be called to my heavenly home and I would at least like to go after I have enjoyed the sound of the straight 6 behind me. My wife is a private school teacher so we don't make much that is why I am looking for the least expensive Porsche that I can handle," Ken said.

Jason Ray, Green Bay
Test-drive member

Members and their Porsches

Dennis and Sherry Ahlman, Appleton, have two Porsches--a 1970 914 and a 2016 Cayenne.

"The 914 exterior is Bahia Red with black interior. I've owned it nine years. I found it on Craigslist In Los Angeles. The car sat up at California City with no engine or trans. No rust. With my German heritage I'm partial to German cars

"I also have a 2016 Cayenne, white over black. I've owned it four years. I found it at Bergstrom Premier, Fox Valley," Dennis said.

The Ahlman Cayenne is on the cover of this issue.

Amy Tess, Green Bay, drives this 2007 911 GT3. This car was part of the photo layout in the June issue but we didn't know the owner or model.

Jim and Evie Rossol, Baileys Harbor, drive a 2009 911 Carrera 4 Cabriolet PDK. They previously owned a 1972 914 2.0, 1988 944 Turbo and 2002 911 Carrera 2 Cabriolet 6 speed.

Their current Porsche is Guards red over black ventilated leather with black convertible top. "We have owned it for 6 years. I found it online at Autotrader. Flew into Cincinnati, visited the Porsche dealer and drove it home smiling all the way. It had only 12k miles and was certified.

"I love Porsche because of the style, performance, and reliability," Jim said.

Members and their Porsches

Bruce and Susan Simon, Oshkosh, drive a 2019 Carmine Red Boxster GTS with Chalk interior and graphite accents. "After searching the Internet for months, I purchased the Boxster in June 2021 from a Porsche dealer in Fort Wayne Ind. It was a one-owner car.

First ever Sportscar Together Festival to be held at Indianapolis in September

Atlanta, Ga., June 18, 2021 — Porsche Cars North America (PCNA) will host the first ever Sportscar Together Festival between Sept. 10-12, at the world-renowned Indianapolis Motor Speedway (IMS). The spectacular three-day festival combines a celebration of car culture, of Porsche sports cars in all of their forms, spanning seven decades with a packed schedule of motorsport action supported by themed, interactive displays of Porsche cars from the past, present and a little way into the future with the very latest new models making their public debut.

"Car culture is a sense of family, of warmth and of shared passions and dreams – and this is at the core of the Sportscar Together Festival," said Kjell Gruner, president and CEO of Porsche Cars North America. "It'll be a living, breathing and exhilarating celebration of not just cars created by Porsche, but of car culture itself – for all ages. We look forward to welcoming everyone who shares this passion – whether they're a Porsche owner or not – to a unique week-end of action, on and off the track."

Fittingly, at the core of the festival is the race action. Underlining the core principle that motorsport benefits the breed, the festival will uniquely host three major Porsche one-make race series at the "Racing Capital of the World." The three series represent Porsche motorsports 'pyramid' – from the cost-effective entry point into club motorsport through the Porsche Sprint Challenge North America by Yokohama up to the purpose-built racers in the form of the Carrera Cup North America. Sportscar Together Festival is the first and only event thus far that brings these different series together in one place.

The Porsche Club of America will be a high profile participant at the festival with the Club Racing Program taking center stage as well as themed car displays and concours events.

Pankratz 1967 912 featured in June Panorama

It is said that good things come to those who wait.

For Dan and Barb Pankratz, they had to wait almost nine months to see an article about their 912 in Panorama. The article starts on page 74 in the June 2021 edition.

How did the Panorama staff hear about the 912 that the couple has owned since new?

"We were at the Chicago region's Club Race on Labor Day weekend with the Fox Valley region and PCA President Tom Gorsuch and Executive Vice President Cindy Jacisin were there as well. When they saw the 912, they asked if it had ever been featured in Panorama. We told them no, it had not," Dan said. Shortly after that conversation, David Mathews, contributor to Panorama and long-time PCA member, contacted Dan to set up a time for a visit by himself and Pano photographer Nick Berard.

The visit was set for late October 2020. "Nick wanted to get good lighting for the photos, so they arrived at 7:15 a.m.," Barb said.

Nick inquired as to some interesting locations to provide backgrounds to photograph the car. "We started at the band stand in a park in Manitowoc. Nick wasn't keen on that spot. We then went to Two Rivers where we ended up at the location of Kahlenberg Marine Engine Co. that started to build engines for boats in the late 1800s. That build-

ing provided an ideal background to show off the Aga Blau 912. The photo is seen on pages 74-75 in the layout.

Other photos were taken at a lumber company across the parking lot from Kahlenberg. In all, the photographer took hundreds of images. The editor selected eight for the multi-page layout.

Nick and David were with the Pankratzs until late afternoon. It was a long but exhilarating day.

Barb told David the story of how they ordered the 912 and of the loving care they have given it since they took ownership.

"Dave and Nick are very congenial," Dan noted. "They made it easy for us to tell the story of this car."

"After the interview, we were anxious to see the article. We opened each issue of Pano with great expectations," Dan said. Finally, when Barb retrieved the mail one day in early June, she tore the plastic wrap off the June Pano and saw the article. She read it before Dan even saw it.

"We were so pleased. Dave and Nick did a superb job," Dan concluded.

In addition to the printed article, this video was also created: <https://youtu.be/VmDhy2V4v9Q>

July 23 at Road America — multiple options for you

To: All PCA Club Members

From: Milwaukee region DE committee

Subject: July 23 DE event

The Milwaukee region DE committee has been busy getting ready for this event. As things stand now, we are almost sold out, with just a few weeks remaining to register. If you are one of those procrastinators, sign up now as registration closes on July 9.

Spectators welcome

If you are one of those people that have always wanted to do a DE event, but are just not sure, consider this invitation.

We'd love to have you come up for the part of the day to visit, walk around, have lunch, watch the cars, ask questions or just sit at turn 5 to hear the sound of cars braking, transmissions shifting and then there is that acceleration sound that comes at just the right moment. (This will make you kick yourself for not signing up to drive.)

Additionally, there are other things going on at the track, including:

Tour to the track — A follow-the-leader drive. Our Tour team is doing this. Starting point is north of Milwaukee.

Sunset Cruise on the track. Drive the four-mile, 14-turn track at cruising speed (low speed). Road America staff is

doing this. This happens after the DE concludes.

Dinner at the Tufte Center. Milw. region Social Committee is doing this. The buffet dinner menu:

- Choice of tenderloin tips or chicken cordon bleu
- Herb-roasted potatoes
- Vegetable medley
- salad, rolls, coffee, milk
- Cash bar.

Registration is required for each of these events. See link below.

With a day so packed with "FUN" opportunities, we encourage you to sign up and come see what you are missing or just hang out with other club members.

Should you have any questions, send them to your DE Committee at DE@PorschePark.org.

Registration for any of these activities is required. To register, go to:
