## President's message: Shout out to members who help

Hello again fellow FVR members.

Can you believe it is November already? The colors have at least been nice, just don't think about what comes next.

With the cooler weather comes the inevitable storage plans.

Unless you are lucky enough to drive your Porsche year-round be sure to research what you need to do to correctly winterize your baby so you have less issues come spring.

We again had a great Waterfalls and Schnitzel tour this year! All told we had about 20 members who enjoyed the colors and fun roads. The weather was a bit cool, but it turned out to be a great day. There are some photos from the tour in this newsletter.

Also, a huge shout-out to those members who helped host events or planned and hosted driving tours again this

year. It is always nice when members get involved and come up with new ideas for everyone to enjoy.

We do not have any planned events in November so enjoy a month off. We have the holiday party on Dec. 10. A block of rooms is reserved for anyone from out of town who would like to stay overnight. Details are in this newsletter so I will not duplicate them here. We have a nice selection of silent auction items for you to bid on.

It's election season for our region. You should have received an email inviting you and your co-member to cast a ballot for region officers who will serve in 2023.

Take care and I hope to see many of you at the party in December!

Shaun Stamnes

President

Fox Valley Region - Porsche Club of America

sstamnes@netnet.net

## Editor's desk: Thanks to all for photos and articles

As we celebrate Thanksgiving this month, I express my thanks to all members who submit photos and articles for Whaletales. Your input is far more interesting than the stuff I come up.

We are always interested in your stories about your Porsche. Have you owned a Porsche for a long time or are you driving a newer model? Send me an email with answers to these questions and I will write a brief article about your car if we haven't featured it yet in Whaletales. Include a .jpg of you standing next to the Porsche. Or if you are shy, just the Porsche.

Here's what I need:

- Year and model
- Exterior color/interior color
- Transmission — manual or Tiptronic or PDK?
- How long have you owned it?
- How did you find it? Some members search far and wide

and travel great distances to acquire the car. Others find it closer to home. All searches are of interest.

-What is it about the brand that appeals to you?

Send your answers and a .jpg to:

Beverly.jurkowski@gmail.com

414-232-4869

## HOLIDAY PARTY

DATE: Saturday, December 10, 2022

PLACE: Radisson Hotel & Conference Center, 2040 Airport Drive, Green Bay

## Welcome to our new members; transfers

**Douglas Stewart and Laura Stewart** (sister), Baileys Harbor, joined PCA and the region in October. "This is my sister Laura's 1984 Guards Red 944 with manual transmission. We've had it for a little over a year," said Douglas.

"A Porsche enthusiast friend of ours found the car. It was purchased from the original owner in Santa Cruz, Calif. It was a very well cared for car.

"The original owner kept a notepad that logged every tank of gas ever put into the car, lightbulb replaced and all maintenance performed.

"We decided to winter the car in California and performed maintenance on all known 944 issues (timing belt, etc.). The work was done by the original mechanic: Ted's Foreign Auto of Scott's Valley Calif.

"I drove it cross country this summer from Santa Cruz to Door County, with a side trip to Montana, flawlessly. Our family had a new 944 when we were kids. This one is ours and we look forward to creating new memories on Door County's roads," he concluded

*Douglas Stewart took this photo of Laura Stewart's 944 in Guards Red.*

### Transfers

**Brian Belmonti** transferred to Gold Coast region

**Mark Fermanich and Nora Flood** transferred to the Fox Valley region from the Rocky Mountain region with their 2003 Boxster S. They live in Sister Bay, Wis.

**John and Kathy Deitrich**, Appleton, transferred from the Carolinas region with their 1968 911L and 2004 911 Carrera 4S.

## Treffen: Georgia Mountains April 19-23

On behalf of the members of the Peachstate Region and the Treffen North America staff, you are invited to attend Treffen Georgia Mountains - Touring the Southern Blue Ridge. Experience four days of driving, fine dining, and exploring as PCA heads to the historic high country of Northwest Georgia over April 19 - 23, 2023.

Our host for the week is the uniquely Southern-styled Barnsley Resort, located outside the small town of Adairsville. Situated on the grand, historic Barnsley Estate built by Godfrey Barnsley, the resort opened in 1999 with a pedestrian-friendly, English-inspired village setting with luxurious guest cottages. The 55-room Inn at Barnsley Resort and Georgian Hall opened in 2018. The Barnsley is a pet-friendly resort on 3,000 scenic acres in the foothills of the Blue Ridge Mountains. It offers visitors the pleasures and pursuits of a fine Southern estate: exceptional culinary creations by Chef Javier Cuesta, a championship golf course, a sporting club, relaxing spa, excellent horseback riding and trails and wilderness for hiking, walking and biking. Ideal for leisure vacations, romantic getaways, business meetings and sparkling events, this celebrated retreat is just a short drive from both Atlanta and Chattanooga.

The Barnsley Resort is an ideal launching point for our planned driving tours and NDO activities. With mountain roads spanning all directions, destinations such as Booth Western Art Museum, the Wolf Mountain Winery, the Bavarian Village of Helen, the newly completed Savoy Automotive Museum, etc. are all within reach. We also have plans for bus tours to HQ PCNA/Porsche Experience Center in Atlanta. The Peachstate Region eagerly awaits to show you the beauty of the Northern Georgia.

Registration opens Jan. 4, 2023.

**A higher standard comes standard.**

You didn't settle when you bought your Porsche. So why settle for anything less than the best maintenance? Our factory-certified technicians exclusively install Porsche Genuine Parts, backed by a 2-year limited warranty. Schedule your visit to keep your Porsche running at its peak.

**Porsche Genuine Parts and Service.**

## Porsche reports Q3 2022 U.S. retail sales

Porsche Cars North America, Inc. (PCNA) announced U.S. retail deliveries in the third quarter of 2022 totaled 16,581, up 8.5 percent from the same period one year ago as supply increased amid sustained customer demand. The strong quarter reduced the year-to-date deficit versus a record 2021 to 4.9 percent for the first nine months of this year, when 49,110 new vehicles were sold to customers.

Top seller in the latest quarter was the Cayenne, which along with the Porsche 911 was up strongly from the same quarter a year earlier. The all-electric Taycan finished the quarter in fourth place. The Macan remained the best seller for the year to date.

Porsche-approved Certified Pre-Owned (CPO) U.S. sales in the first nine months of 2022 totaled 23,743, up 9.7 percent from a year earlier.

Model	July-Sept Sales		Year to Date	
	2022	2021	2022	2021
ALL 911	2,236	1,621	7,411	6,729
ALL 718	682	753	2,426	3,165
ALL TAYCAN	1,325	1,861	5,774	7,228
ALL PANAMERA	1,050	1,090	2,963	2,806
ALL CAYENNE	6,017	4,874	14,583	15,108
ALL MACAN	5,271	5,090	15,953	16,579
TOTAL	16,581	15,289	49,110	51,615

Cayenne was the best seller in Q3.

The 911 also was a top seller in Q3.

The Macan remains the best seller.

## AUTOberfest at the Automobile Gallery

By Darrel Burnett

More than 250 people attended AUTOberfest last month. It was a smashing success thanks in large part to the Porsche Club of America, Fox Valley. We were hoping for 40 German vehicles and finished with more than 60.

As a 501c3, we were able to raise more than \$4,000 for the programs at The Automobile Gallery & Event Center. Planning has already begun for next year and we will have well over 100 German vehicles.

# The region has a what?

By **Jimmy Haen**, librarian and archivist

A free, yes free, lending library. It contains 227 titles, many of which have been out of print for years. Tech-related media, repair manuals, restoration guides, pictorials, and even auto-related novels are all in there.

Since 2016, our website has had a downloadable copy of the library index for you to view or download:

<https://fv.pca.org/library/>

Simply click on the library tab, then click on the library image.

An excel spreadsheet will download. Print it if you like.

From there, you could Google the ISBN number or Motorbooks catalog number to get synopsis or reviews of the title before you go to Gordon's shop. (Before

Motorbooks was sold to Quarto Publishing, the blue hotlinks contained in the spreadsheet worked rather nicely.)

There's also an index to all these titles in a blue binder in that same Library closet too, but generally the latest titles have a higher number printed on an orange sticker on the media's spine. They are stored on the shelves in numerical order.

The library is always free, self serve, and completely on your honor.

Just sign the library card in the jacket and deposit it in the white card-sized box. Take as many as you'd like. Keep the media for a reasonable time and enjoy. When you return the media, simply pull out the correct library card, reinsert it in the jacket, and file the media back in the closet for the next member. Much like you may have done in grade school.

Please patronize Gordon Skog and Auto Clinic for volunteering valuable space in his waiting room to store our FVR PCA free lending library closet full of resources.

I know the concept of printed, non-digital media seems a bit dated, but many of these and other limited

production hobbyist titles have never been digitized and maybe never will. Some of our titles are even rare and are no longer in print or production...but we have them for you to check out for free.

DVDs were transferred from VHS, a few more current DVDs, and published / printed books

make up most of these titles. I understand that our free lending library is quite unique amongst the regions of PCA so please utilize it when the spirit moves you.

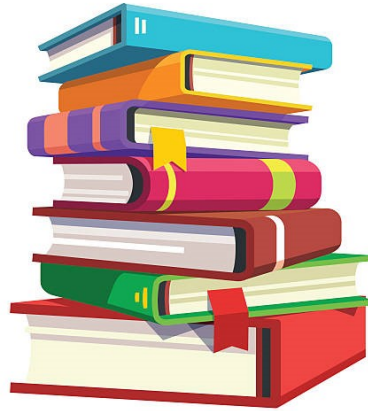

Now that the Internet provides just about anything and everything you'd want to read, our library may be less useful but it does provide some good historical information, especially about older Porsche models.

So, how did the lending library come to be?

When I joined FVR PCA decades ago around 1996, I asked out loud at a monthly meeting if anybody had any Porsche literature to share. Well, the other members quickly responded NO but it's a great idea. I guess that made me a library volunteer. So I contacted all of the advertisers in Panorama to request donations. Dozens of books and VHS tapes arrived. Some of the vendors even tossed in additional goodies to be raffled off to help raise money for our fledgling club and its library.

Gordon Skog stepped up and provided a Craftsman tool cabinet to act as the library's permanent storage location at his shop The Auto Clinic in Neenah. As VHS tapes became outmoded, Andrew Opicka stepped up and converted all the tapes to DVD. Most of the titles in the library were in fact limited production runs and were published long ago in the '60s, '70s, '80s and '90s. Therefore, a lot of them are now out of print. Some of the data contained in those publications will likely not be reprinted.

And, the free lending library is still fully functional and intact at Auto Clinic for your enjoyment.

# Minutes of the Oct. 18, 2022, region board meeting

Call zoom meeting to order 7:01 p.m. Adjourned at 8:27 p.m.

Roll call of attending members: Do we have a quorum?  
Yes

In attendance: Andrew Opicka, Bev Jurkowski, Dee Stamnes, Shaun Stamnes, Erik Scharinger, Jim Haen, Mary Haen, and guest Curt Mass

Absent: Steve Groddy and Todd Whitenack

Approval of the previous meeting minutes – The motion made by Andrew Opicka was seconded by Erik Scharinger.

## **President's report**

Previous Board Meeting – email

Events Summary:

There were 14 events on the calendar this year  
Five were cars and coffee at Bergstrom

Bergstrom update:

PCA offers dealerships a subsidy to support local clubs.  
Tim Bergstrom would like to have more FVR exclusive events going forward.

Discussed non-PCA members showing up to an event which was re-posted on a Facebook site other than our own. Shaun will look into locking down the website so it would be more “members only.”

Erik will keep an eye out for Facebook hacking.

## **Webmaster report**

Congratulations to Shaun Stamnes for taking second place in the National website competition for a region of our size. He said the judges gave good feedback this year.

## **Board Nominations**

Shaun nominated Curt Mass for the position of Vice President.

**Vice President's report (Todd Whitenack)** No report

## **Treasurer's report (Erik Scharinger)**

We are solvent and transparent. Since our notes are published and made public, the Secretary and Editor will not publish these numbers. Although we do not publish these figures, interested members can contact

the treasurer for a copy of this report. Our annual report has been filed. National's rebates to the region are larger than in the past due to our region's growth.

## **Secretary report (Mary Haen)**

A call for interested members to step up for a BOD position has had no response from the general membership. If you are interested in a position, or shadowing a current BOD member, please contact any BOD member.

Discussion of who will be on the ballot. The ballot will be sent out early in November.

## **Committee reports**

### **Membership (Dee Stamnes)**

Current membership stands at 205 primary members and 142 affiliate members with one new member in October, for a total of 348.

### **Social Chair (Dee Stamnes)**

The holiday party information is in the newsletter.

Meal cost is \$40 per person.

A motion was made by Dee Stamnes and Seconded by Mary Haen that the club will subsidize \$20 of the meal cost for both members and affiliate members.

A motion was made by Bev Jurkowski and seconded by Andrew Opicka to spend \$20 per gift for those in attendance at the holiday party.

### **Social Media Chair report (Erik Scharinger)**

**Dealer liaison report (Steve Groddy)** No report

### **Historian report (Jim Haen)**

The FVR PCA free lending library is located at the Auto Clinic in Neenah. The library isn't being heavily utilized these days. Discussions of the library's future ensued. Some of our media may be valuable.

Jim will send a library article to Bev for the newsletter.

Jim commented on the idea floated long ago to make our newsletters searchable so the past Board notes could be easily found. Action tabled.

Continued on next page.

## Board minutes continued

### Insurance/Safety Chair report (Andrew Opicka)

When hosting an event, please file event paper work asap following the event so Andrew can file his final report.

It is important that the report be filed, so if an issue were to arise in the future, we have written reports and waivers in place. This is especially critical if a portion of the event is on private property. Andrew will name individuals on the insurance so as to protect them.

### Technical/Driving Tour Chair report

This position is currently open. Please let a BOD member know if you are interested.

**Webmaster report (Shaun Stamnes)** Provided with President's Report.

### Newsletter report (Bev Jurkowski)

There is open space in the newsletter for an article and pictures from the Waterfall tour. Several commented they have photos and will forward to Bev.

### Discussion on New Business

President's items for discussion:

Region Zoom Account – Keep or Cancel?

We will cancel the FVR Zoom account. Two board members volunteered the use of their Zoom business account. This will save the club about \$150.

New Webstore Update

The Webstore is up and running. We are limited to 15 items. We can change these items at any time.

Dan Pankratz – Thoughts for Lasting Memorial

We discussed a memorial brick at Road America in memory of Dan Pankratz. Shaun will reach out to Barb Pankratz to see if this is acceptable or if she has other suggestions.

Holiday Party

See the newsletter for full details.

Possible events for 2023?

Multi-Region BBQ

Event is planned for the third Saturday in May

Labor Day picnic at Road America

Note the track is getting repaved this year.

Bergstrom Tech Sessions

Discussion of hosting the New Member meeting at Bergstrom with a tech session. Stipend?

Use club funds to invest in gift certificates for service at Bergstrom for these events to make it worthwhile for Bergstrom.

Driving events (TBD)

Tech sessions at Auto Clinic, Zero to Sixty or other facilities.

### Review of Old Business

New board of directors mentoring opportunities/succession plan for board members if appropriate. Always tough to get volunteers!

Event planning to include getting more members involved with hosting. Would like to see at least multiple events per month. Do we need to advertise more, if so how? Can we have every BOD member host at least one event?

Sharing events between regions

Charity suggestions to be on the ballot. FYI Bergstrom is a Make a Wish sponsor. Maybe we can dovetail on that.

Submitted by Mary Haen, FVR PCA Secretary,

### FOR SALE: Three Porsches

From Nick Halfman, brand ambassador, Porsche of the Fox Valley.

Please contact myself or James Zingsheim if you have any questions about any of these three beautiful Porsches.

Each has been curated and priced for you, our local Porsche club.

We hold these vehicles for 30-45 days in a deliberate attempt to keep them local.

We can ask significantly more for each of these if we open them up to a national audience however our goal is to find homes for each Porsche Approved Certified vehicle or future classic right here in Wisconsin.

Nick's cell number is: 920-360-5438

James' cell number is: 920-203-8496
