From the editor's desk

Welcome to the latest edition of the next chapter in the Whaletales story. As you are all aware, Bev stepped up and for the past few years did an exemplary job building Whaletales into a monthly newsletter everyone in the region could be proud of. Although we know we cannot meet the bar Bev set, we hope to at least keep the membership informed of region news and upcoming events. The position of full-time Whaletales editor is open so if anyone has a desire to become more involved in the club and would like to take on the role, or even just contribute an article or photos, feel free to reach out to Curt or Shaun.

From the President — Ah spring, finally!

It has been one hell of a week for spring storms. I was in Madison for work and ended up driving home to Appleton as the tornados and storms followed me the entire way. I hope all of you survived the change in weather without any damage.

It seems hard to believe that it was only a few days before that we had the Spring Opener Dinner at Jim and Linda's in Pipe on a beautiful sunny spring evening. With over thirty members in attendance, we had a great time. Most of us gathered in the parking lot enjoying the cars, conversations and our preferred beverages. The wait staff finally had to corral us to come in and sit down for dinner. There are pictures on page eight of this newsletter from the event. After dinner we returned to the parking lot to see an awesome sunset and a few hearty individuals summited the observation tower in the park to view the sunset over the lake. (the Red 914 in those pictures is the one for sale on page 14)

Memorial day is coming up and that is the official start of the summer months. Join us the following weekend on May 31st in Door County for a Coffee and Cars at Cupola House in Egg Harbor. Grab some breakfast and coffee, take a drive on the backroads, do some shopping and grab a lunch on your way back home at one of the great restaurants. There will be several club members at the event who can recommend good places for all of the above.

Two weeks later we will be at Dells Service Center in Green Bay for coffee and cars. Stop by and check out their facility and meet the newest advertiser in our newsletter. They will be allowing us to tour their shop in addition to having refreshments.

The calendar starts ramping up in June and continues to get busier as we progress through July and August. Keep an eye on the events page for new and existing event dates. Milwaukee region has asked us to add their High Performance Driver Education in August to our calendar. That event is also detailed on page 16. Southern Indiana Region has their Viele Strassen event in August. Several of our members have attended that event in past years. Details and a link are on page 15.

The Bluegrass Region asked that I include that they will be having an event on July 13th. It will be a drive to and social at the Lexington Brewery and Distillery. The proceeds benefit the club's charity KY Children's Hospital. There is also the opportunity to buy a personalized bottle of single barrel bourbon. They have promised they will get us more details in June.

In July we have coffee and cars at Retro on Eighth in Manitowoc. The last time we had coffee and cars at Retro we packed the parking lot and overflowed onto the streets. Hopefully it will be another beautiful sunny summer day this year. At the end of July we also have the Trout Springs Potluck hosted by Steve and Andrea DeBaker. Share an afternoon in the winery and enjoy a potluck lunch with other club members.

As I am having the four year service done on my Cayenne next week I thought I should remind everyone that if you have your service done at Bergstrom don't forget to ask for the ten percent off that they provide to club members. Those savings are another benefit of club membership.

As always, if you have a suggestion for an event, a location for a social or a recommendation for a drive route please forward those to one of the board members. This is your club.

2004 Porsche GT3 For Sale

Currently has 12,216 miles. I purchased it 10/2007 when it had 3,473 miles. It came from CA and it has always been kept in a heated and A/C garage.

This is a collector grade car in all respects and has been serviced regularly by myself. I would call it a 1- or 2+ condition. It has one factory option (X99 full leather) and a dealer installed Porsche Tequipment roll bar that the original owner installed as I was told he thought it was fitting for the model. I personally have driven it two 20 minute sessions at Road America just to experience what these cars are all about. The purpose of selling is I have a new 911T ordered.

Any sale will be processed as a sale through my local Porsche dealer and include an inspection and DME report by their certified Porsche mechanic.

Asking price is \$154,900. Contact Wayne Kindschy 920-750-6361 Office or 920-257-4463 Home.

What is HPDE? We're glad you asked.

1. The latest discovered virus that only has 1 known cure
2. A special kind of picnic that is enjoyed by the entire family
3. A school that is designed to teach drivers how to enjoy their cars, at speed
4. All of the above

- An adrenaline shot.
- A chance to share a meal with many drivers, VETs and others that are there to help you have an awesome day.

Sounds like too much fun? It is and you will get to do it all.

Whether you are an experienced HPDE driver or wanting to do it for the first time, we are set for you. Our club's program is divided into three run groups: Advanced, Intermediate and Novice.
