## From the editor's desk

Welcome to the latest edition of the next chapter in the Whaletales story. As you are all aware, Bev stepped up and for the past few years did an exemplary job building Whaletales into a monthly newsletter everyone in the region could be proud of. Although we know we cannot meet the bar Bev set, we hope to at least keep the membership informed of region news and upcoming events. The position of full-time Whaletales editor is open so if anyone has a desire to become more involved in the club and would like to take on the role, or even just contribute an article or photos, feel free to reach out to Curt or Shaun.

## From the President — Feeling like Summer may be coming!

It was a cool crisp morning. We got up early to make the two hour trek to Egg Harbor. Normally, a Cars and Coffee is my Saturday morning with cars and the people who love, drive, care for and rebuild and repair them. This one was special and the weather for it was perfect. Special because a member set this one up. Perfect because we had a great turnout. The span of Porsches ranged from a 1956 unwashed barn find speedster to a 2025 Turbo 4CS with 30 miles on it. The event ran nearly an hour over the intended 8:00-10:00 planned time as people continued to chat.

Folks from Chicago region, Milwaukee region, Fox Valley region and even passing Porsche drivers from the general public showed up. Before you go thinking this was widely advertised, it was not. Bob Hawley, one of our members who lives in Door County, set up the event and contacted the people who live or summer in the Door and personally invited them to come down for the event. The conversations were great. Stories of how people found their cars, why they bought them and why they love them were all shared in a parking lot over good coffee and great pastry. So, a big thank you to Bob for setting this up. I also want to thank the Ryan Ibsen and Jillian Pasztor, the owners at Cupola Café for hosting. Thank you also to the folks at Nicolet Bank for the use of their parking lot for the gathering. I want to also make sure to thank Evan Elrod for proposing the gathering to Bob and co sponsoring the event.

Our next event is another Cars and Coffee at Dell's Service Center in Green Bay on June 14th. Dell's is our latest advertiser in the news letter. Please stop out for the event and check out their facility which will be open to us. Join us for the Bloody Mary Bar along with coffee and Kringles from Uncle Mike's. They will be offering complimentary Module Scans of our vehicles on request.

Bergstrom is offering a 25% discount on Classic Parts. Look for the coupon in this newsletter. Classic Parts are parts for any vehicle 2014 or earlier. If you need something for one of your earlier vehicles call Cali in the Bergstrom parts department at 920.968.7330. Cali

can give you a list of parts for your project if you give her the information on your project and your car's VIN number. Get a quote and get a good discount on genuine Porsche Parts. The Coupon is on Page 8

There are a couple of events from our sister regions in Zone 13 in this newsletter. Please check out those events to see if something interests you. The Michiana region is having a Porsches on the River event on June 28th in Elkhart Indiana. The Porsche 944 is the featured car for the event. More information is on page 6 of this edition. If you plan on attending with your 944 use the QR code to register through Motorsportreg. Only 944 cars need to register, as they have reserved parking.

Bluegrass Region is holding an event to benefit the Kentucky Children's Hospital on July 13th in Lexington Kentucky. The club is involved with the Keenland Concourse and uses that event to raise money for the hospital every year as their primary charity. You can also order a personalized bottle of single barrel reserve Bourbon if you are attending the event. The spirits cannot be shipped so you need to attend to pick your bottle up in person.

Milwaukee region has a High Performance Driving Education event in August. These fill up quickly, especially the Novice class. If you ever wanted to learn to drive your car better, these sessions teach you the basics of handling these cars better even if you don't plan to take up racing. More details can be found on page 17 of this edition.

The last multi region event in this months edition is Southern Indiana region's Viele Strassen event. Also held in August, this annual event is a combination social event and driving tours of the awesome driving roads in southern Indiana. Most of the regions in our zone have members attend this event each year.

As we move fully into summer, I look forward to meeting more members and getting to know you and your cars. Summer will start fully this month as the schools are let out for 12 weeks. As always, enjoy the drive!

## 2004 Porsche GT3 For Sale

Currently has 12,216 miles. I purchased it 10/2007 when it had 3,473 miles. It came from CA and it has always been kept in a heated and A/C garage.

This is a collector grade car in all respects and has been serviced regularly by myself. I would call it a 1- or 2+ condition. It has one factory option (X99 full leather) and a dealer installed Porsche Tequipment roll bar that the original owner installed as I was told he thought it was fitting for the model. I personally have driven it two 20 minute sessions at Road America just to experience what these cars are all about. The purpose of selling is I have a new 911T ordered.

Any sale will be processed as a sale through my local Porsche dealer and include an inspection and DME report by their certified Porsche mechanic.

Asking price is \$154,900. Contact Wayne Kindschy 920-750-6361 Office or 920-257-4463 Home.

## What is HPDE? We're glad you asked.

1. The latest discovered virus that only has 1 known cure
2. A special kind of picnic that is enjoyed by the entire family
3. A school that is designed to teach drivers how to enjoy their cars, at speed
4. All of the above

Well, if you picked 3, you are correct. HPDE, High Performance Driver Education, is an event we host at Road America on Aug. 22. During this day, you will get:

- An adrenaline shot.
- A chance to share a meal with many drivers, VETs and others that are there to help you have an awesome day.
- Classroom time both to educate and give you a chance to ask your questions about what is happening on the track and how to make it better.

Sounds like too much fun? It is and you will get to do it all.

Whether you are an experienced HPDE driver or wanting to do it for the first time, we are set for you. Our club's program is divided into three run groups: Advanced, Intermediate and Novice. Each group will get 2.5 hours of track time, classroom sessions for the Novice group, an extra 30-minute session for our volunteer instructors and a lot more. To learn more, go to the PCA [MotorsportReg site](#).

Just so you know, HPDE stands for something else...Happy Porsche Drivers Enjoyment.

Register for this event and we are confident you will have an AWESOME day. As an FYI, this event does sell out so register early as we limit the run group sizes.

As always, if you have any initial questions, send us an email at [MilwaukeeDE@gmail.com](mailto:MilwaukeeDE@gmail.com)

Sign up now for the Happy Porsche Drivers Enjoyment day.

Our first Cars and Coffee was held in Egg Harbor in Door County on May 31st from 8:00 to 10:00 A. M.. We had an excellent showing with a wide Range of cars. We had a barn find 356 Speedster found in Green Bay and driven in its unrestored state from its new home in Manitowoc. There was a brand new 911, a 1969 912, a Club Sport and a 48000 mile 914 in perfect and unrestored condition. There were several Boxsters, 911s and a Blue GT3.

The Cupola House Café provide the Coffee, Pastries, galettes, and teas that added to the comradery and conversation. Several BMWs showed up and while many of the attendees were from Door County but not necessarily members of the club, I was surprised with the number of Porsche drivers in the Door for the weekend who saw all the cars and turned around and joined us. It was a great morning and a wonderful way to spend a day. We had a great drive, saw old friends, made new ones and enjoyed the cars and conversation.
